

South King County Mobility Coalition Meeting

01.08.2026, 10:30 AM to 12:00 PM

Gratitude

The South King County Mobility Coalition welcomes and values all communities. We value, respect, and honor the identity and experience of all members.

We encourage everyone to participate, regardless of ability. We are committed to listening, learning, and improving in this process.-----

We acknowledge that the work we do takes place on the traditional land of the Coast Salish and Duwamish peoples, among others, as the first people of this land. We honor with gratitude the land itself as well as the past, present, and future of these tribes.
