SVMC Vision & Mission Statement

**Vision:** Connecting communities to improve public transportation for the Snoqualmie Valley.

**Mission Statement:** The Snoqualmie Valley Mobility Coalition (SVMC) believes that affordable, accessible, reliable, and safe transportation is a necessity for life and are dedicated to connecting communities to improve transportation for all of Snoqualmie Valley. Through collaborative efforts we strive to advocate for a more effective transportation network, educate the community about available travel options, and continue to assess the needs of the community. Our work serves to benefit all riders of the valley with a focus on the specific needs of populations that are disproportionately affected by limited transportation options.

SVMC Fiscal Year 2023 Priorities

- **Priority 1**  Advocate for coordinated regional and local policies/codes that support transportation services and infrastructure.

- **Priority 2**  Advocate for a mobility system in the valley that accommodates non-drivers.

- **Priority 3**  Continue to partner with Snoqualmie Valley jurisdictions, organizations, and businesses to share and distribute information on the existing mobility options and resources available to Snoqualmie Valley residents, employee, employers, and visitors.

SVMC Fiscal Year 2023 Work Plan Projects

**Advocate for Non-drivers in Snoqualmie Valley – July 2022 to June 2023**

Create and distribute a one-pager document outlining the top mobility priorities in the Snoqualmie Valley. Continue to identify and advocate for the mobility needs of non-drivers to create a complete mobility system.

**Comprehensive Plan Update Recommendations for Snoqualmie Valley – July 2022 to June 2023**

Continue to facilitate SVMC Task Force, focusing on coalition projects and priorities. In collaboration, develop strategies and timelines to engage with Valley jurisdictions to recommend updates to the 2024 Comprehensive Plan updates. Review Transportation Elements to assure goals and policies promote affordable, accessible, reliable, and safe transportation options and infrastructure.

**Fiscal Year 2023 Mobility Education and Outreach Efforts**

In support of the Snoqualmie Valley Mobility Coalition’s priorities, vision, and mission the Mobility Coordinator also engages in education and outreach efforts across the region. These efforts are incorporated into Coalition projects when applicable and exist independently as an effort of the Hopelink Mobility Management team. Coalition members are always welcome to partner on outreach and education efforts. **In the 2023 fiscal year the Snoqualmie Valley Coordinator will prioritize outreach opportunities that are hosted in partnership with other service providers and offer opportunities for wrap-around connections.**

The outreach programming of the Snoqualmie Valley Mobility Coordinator consists of three main programs: Travel Ambassador Trainings, Getting Around Puget Sound events, and Public Transit Orientations. These programs focus on the end-user, the community member, and making accessible the information community members need for getting to where they need to go.

More information on Mobility Education and Outreach can be found at [this webpage](#). To partner with our programming please reach out to the Snoqualmie Valley Mobility Coordinator.
