COMPANY OVERVIEW

Summit Bridge Capital LLC is a premier professional services firm specializing in **Pre-Deployment Language, Regional Expertise, and Culture (LREC)** training. We bridge the gap between deployment and operational success by providing service members with mission-critical linguistic tools and cultural intelligence. With over **10,000 consultation hours** delivered, we ensure units are "Green" for deployment through tech-enabled, measurable readiness solutions.

CORE COMPETENCIES

- **Tactical Language Instruction:** Specialized curricula for Levantine, Iraqi, Gulf Arabic, Farsi, Dari, and Pashto.
- **Mobile Training App:** 24/7 offline access to cultural modules and linguistic support via our proprietary digital platform.
- **Squad-Level Analytics:** Real-time tracking for NCOs/Officers to monitor unit training completion and readiness.
- **Scenario-Based Role Play:** Immersive training focused on KLE (Key Leader Engagement) and checkpoint interactions.
- **LREC Standards Compliance:** Expert advisory to ensure training meets DoD and Agency requirements.

DIFFERENTIATORS

- **Micro-Purchase Ready:** Optimized for rapid-pay via Government Purchase Card (GPC) for unit bundles under \$15,000.
- **Offline Mission Support:** App functionality requires zero data/cellular, making it ideal for austere environments.
- **Proven Scale:** 100+ projects completed with a 90% client satisfaction rate over 5+ years.
- **Agile Deployment:** Capability to onboard entire Brigade Combat Teams (BCT) within 48-72 hours.
- **Measurable Readiness:** Data-driven reporting that turns "soft skills" into actionable readiness metrics for commanders.

CORPORATE DATA & CODES

Primary NAICS: 611630 (Language Schools) **Socio-Economic:** Small Business (Self-Certified)
Secondary NAICS: 611699, 541611, 541990 **Payment:** GPC / Credit Card, EFT, WAWF

UNIT COMMANDERS & TRAINING NCOs: Our "Unit Readiness Bundle" is a turnkey solution for squads and companies. For **under \$15,000**, we provide full access to our digital ecosystem and squad-tracking dashboard. 1VNW2 is ready for immediate GPC swipe to fix your LREC training gaps today.
