The Royal Law Firm Announces Of Counsel Collaboration with Women-Owned Law Firms

The Royal Law Firm has entered into an Of Counsel agreement with two other women-owned law firms: Perez Morris and Sobel Pevzner. This Of Counsel collaboration further bolsters The Royal Law Firm's labor and employment law, business litigation, workers' compensation and transactional practices and extends the firm's reach into new jurisdictions including Ohio, Pennsylvania, and New Jersey.

This collaboration will enable new opportunities for clients to increase their diverse legal spend with women-owned law firms. The collaborating firm's attorneys are seasoned counsel in their jurisdictions and will share knowledge and resources such as forms, best practices and office space for witness interviews, depositions, mediations and other needs.
