# Solutions for every task

When it's time to clean up, we have you covered!

Winter  
2023

# Zero Waste

**Stain-fighting power in a tiny sheet!**

BOULDERCLEAN

**Laundry Detergent Sheets** This is not a dryer sheet—it's laundry detergent! A waste-free alternative to conventional liquid laundry detergents and pods, these laundry detergent sheets pack a ton of stain-fighting cleaning power in a tiny, pre-measured sheet of detergent. Liquid free and plastic free, no measuring and no mess, they make your laundry washing routine easier and more economical. Laundry detergent sheets save space, use recyclable packaging and are carbon light.

Each product bears an EPA Registration Number on the product label; Complies with TSCA regulations.

# Strong & Gentle

No rinse required!

## Foodservice Surface Sanitizer

Formulated for convenience and ease-of-use, this spray provides powerful germ-kill on the surfaces people touch most – yet is gentle enough to use on a child's highchair with no rinse required. Patented fragrance-free formulation sanitizes without any harsh chemicals. It eliminates 99.9 percent of viruses and bacteria on surfaces – including norovirus, E. coli, Salmonella, and human coronavirus in 30 seconds.
