Dear Customer,

Offering the best quality office furniture available in today's market — contemporary, traditional, functional, or luxurious — we have the answer to all your furnishing needs no matter what your budget will allow.

Throughout our easy to use catalog, the products shown are listed with details including the corresponding fabrics and finishes. However, if you wonder if a product could come in a different size, color or finish, give your sales representative a call and we'll be happy to explore all options available for you. We appreciate your interest, and look forward to helping you make your office everything you want it to be.

List prices are effective at time of publication and are subject to change without notice. Fabrics and finishes shown are representations and due to printing process, may not be exact.

All WorkSimpli Laminate products and most seating lines are built from environmentally friendly materials which meet or exceed California's 2022 environmental guidelines.

BIFMA (Business and Institutional furniture manufacturers associations) Members are certified that all manufacturing industry standards are met and maintained insuring consistent safety, sustainability, comfort and durability.

We strongly support recycling efforts. Please recycle this catalog. This catalog is printed using vegetable based inks.

Special order items are items that are available in 4 plus weeks depending on the manufacture lead times.

Andover Collection

Pretty never goes out of style! The farmhouse-inspired design of the Andover collection reflects a stylish infusion of earthy and chic that brings to mind images of rolling hills and valleys. There's nothing that compares to the warmth of the calming neutral aged ivory. The brass bar pull hardware add to the comfort of a home dressed in refined provincial style!

How to Use This Chair Functions Guide

As you explore our seating options, use this guide to help you find the ideal chair for your office comfort and ergonomic needs on pages 141-162.

Pneumatic Seat Height
Adjusts "up and down" seat height relative to the floor.

360-Degree Swivel
Allows seat "rotation" in a full circle.

Swivel/Tilt Control
Places the "pivot point" directly above the base center" and allows the user to lean back in a seated position.

Tilt-Lock
"Locks seat and back" in an upright position.

Body Weight Control
Allows user to recline and hold position with the weight of their body

Back Lock
Allows user to select and "lock a particular back angle."

Mid-Point Control
Allows user to recline at a more natural angle than the traditional tilt control. "Pivot point of chair is positioned slightly forward" toward the front of the seat.

Knee-Tilt Control
Allows user to fully recline while keeping feet comfortably on the floor. "Pivot point is placed near the front of the seat."

Synchronous Control
Automatically "adjusts seat and back angle while maintaining a 2:1 recline ratio", providing optimum back support and minimal seat rise.

Articulating Seat & Back
"Adjusts seat & back angle independently" with a single lever.

Adjustable Seat & Back
Allows user to "adjust and lock seat and back angle" of chair independently of each other.

Back Height Adjustment
Allows user to "adjust back up and down" for proper positioning of lumbar.

High Control
Includes "swivel/tilt with tension control, independently adjustable seat and back angle with infinite lock (any position) and forward pitch control."

Back Depth Adjustment
Allows user to "adjust back in and out" for additional seat depth.

Lumbar Adjustment
Allows user to "custom fit chair by adjusting lumbar" for optimum support and comfort.

Forward Seat Tilt
Allows user to "tilt seat forward" for optimum comfort while doing intensive forward oriented tasks.

Sliding Seat
Allows seat to move "forward and back" or to be locked in a desired position.

Height-Adjustable Arms
Allows user to "adjust arms up and down" within a set range to accommodate a variety of tasks.

Height/Width Adj. Arms
Allows user to "adjust arms up and down, or in and out" within a set range to accommodate a variety of tasks.
