

COMPANY BIO

Founded in 2024, **ALL PURPOSE GAS** provides safe, efficient, and accessible propane tank solutions nationwide. As a Certified Minority-Owned Business, we specialize in the sale and delivery of ASME-certified propane tanks (aboveground and underground), propane safety equipment, and emergency response systems. Serving government, commercial, and industrial clients, **ALL PURPOSE GAS** also supports prime contractors with responsive subcontractor services aligned with federal compliance standards.

CORE COMPETENCIES

- ★ Propane tank sales (aboveground & underground)
- ★ Valves, regulators, and gas-related accessories
- ★ Propane safety equipment, gas leak detectors & shut-off kits
- ★ Disaster relief & emergency fuel systems
- ★ Logistics & delivery coordination
- ★ Subcontracted propane tank installation
- ★ Support for fueling stations & tank relocations
- ★ Procurement support for gas-related infrastructure

DIFFERENTIATORS

- ✓ Specialization in ASME-certified propane tanks with full safety & compliance support
- ✓ Expertise in coordinating multi-state delivery & subcontracted installation
- ✓ Proven capability in emergency fuel setups & disaster recovery response
- ✓ Track record as a trusted subcontractor on large-scale industrial & commercial projects
- ✓ End-to-end support for fuel infrastructure beyond standard tank delivery
