General Price List of Services and Merchandise

We want to take this opportunity to thank you for the trust and confidence you have placed in us.

Caring Cremations Services is a locally-owned family business. We work to keep costs low while providing high-quality funeral and cremation services in the Toledo Metropolitan area. When comparing facilities, staff, and services, we believe that we offer the best value in the region.

To help us maintain our high standards of care, all funeral and cremation services are treated as cash transactions. We are not in a position to provide financing, and your account is due and payable on the that arrangements are made.

In the event that the decedent's funds are not immediately available, then a member of the family will need to take care of payment and file their own claim for reimbursement with the estate.

In order to provide you with financial flexibility, we offer all our families the following payment options to satisfy the financial obligations for services:

- Prepaid Funeral Arrangement
- Cash
- Check
- Insurance Assignments (Fees and funding details available upon request)
- Credit & Debit Cards (All major credit cards subject to a 4% processing fee)

Because of the complexity and time required, we're not able to accept payments from estates.
