## 2025 ACP Sponsorship Invitation

Dear Sir/Madam,

We cordially invite you to become a sponsor of the 2025 ACP MetroCon Convention, which will be held on Saturday, November 15, 2025, at the Plano Event Center (2000 E Spring Creek Pkwy, Plano, TX 75074).

The ACP MetroCon is one of the largest conference and gala events in the DFW area. It is hosted by the ACP Foundation to promote well-beings of Chinese Americans and provide discussion forums in Education, Technology, Entrepreneurship, Career and Investment. The ACP MetroCon includes a symposium, VIP reception and evening banquet, as well as Hackathon, robotics competition and business exhibitions. It is expected to attract more than a thousand participants. Our sponsors will be promoted at the event, and invited to the VIP reception and evening banquet.

Founded in 1993, the ACP Foundation is a non-profit 501(c)(3) organization registered in the state of Texas. With more than 1,600 members across a broad spectrum of professions, ACP has won great reputations for leadership and professional services in the local community. ACP hosts seminars free to the public, sponsors robotics teams, Hackathons, Youth Awards, and organizes a series of community service activities, such as donations to less privileged schools, senior caring and food bank initiatives. The ACP Robotics Team has won world championships as Team USA in the last two years. For the past 6 years, the ACP MetroCon has received proclamations from many cities and organizations.

Once we receive your returned form, we will follow up with you on the details of business advertisement, VIP reception and banquet arrangements. Thank you for your generosity and kind support!

Sincerely,
