Girls With Squirrels

The Girls with Squirrels have been singing together since 2010. We met, and remain, in a group called The PopTarts that performs 60's girl group music. In late 2019 we decided to give our duo project a whirl. We had ONE gig booked - Mothers Day 2020. Guess what happened! (COVID!) That gig would have been at the Blind Squirrel Winery and that's part of the story behind our silly name. We have a huge song list now and can customize well for the audiences we're with. We choose songs that are well-loved and well-known and that we know will sound great when we sing them in perfect harmony.

Becky Boyd and the Groove Train

Becky Boyd has been playing the Cleveland club scene for 40+ years. Her vocals are outstanding, combining great tone, with tremendous feel. Becky has been nominated several times as Best Vocalist & Best Female Vocalist in the Freetimes and Scene Magazine. Becky received the Best vocalist Award from the Cleveland Blues Society in 2018. Her current band, [Becky Boyd & The Groove Train](#), made their debut in January 2015. The band features bassist Alfredo Guerrieri, guitarist Ben Nieves, and drummer Jim Wall.
