

Hello,

My name is Tim Jeffrey, and I am the President of the Carrick Hockey Association. If you have sponsored previously, we would like to start off by saying thank you!

The inner-city school hockey program is not like the other hockey programs...So we need your help! Our program relies a lot on help from our sponsors in order to keep our kids off the street and playing high school hockey. Our program consists of several *sponsored schools*:

Carrick, Allderdice, Brashear, Brentwood, Steel Valley, Carlynton, and West Mifflin

Our hockey program over the years has been very competitive with all the bigger school districts and with many high-talented athletes.....We are proud to say that many go on to play at the collegiate and junior hockey levels.

Please review the attached sponsorship information and help support our program! Anything would be appreciated and would be a huge help to our organization.

Sincerely,

Tim Jeffrey
Carrick Hockey President
