Guymon Pioneer Days Rodeo and OPSU Rodeo Team: A Partnership Built on Tradition

Each spring, thousands of rodeo fans, contestants, and families make their way to the Oklahoma Panhandle for the Doc Gardner Memorial College Rodeo and Guymon Pioneer Days Rodeo, two of the most community-driven events in the region. Behind the arena lights, grandstands, and world-class performances is a partnership built on hard work, teamwork, and hometown pride between the Guymon Pioneer Days Rodeo Committee and the Oklahoma Panhandle State University Rodeo Team.

This year, the Guymon Pioneer Days Rodeo Committee joined the Panhandle State Foundation & OPSU Alumni & Friends Aggie Partners Program, an initiative that strengthens OPSU through annual support for scholarships of academic or athletic programs. Funds from this partnership will directly benefit the OPSU Rodeo Team, helping provide critical scholarship assistance and program support that ensure student-athletes can compete and succeed at the highest levels.

“The support from the Pioneer Days Rodeo Committee means the world to our team,” said Shelby Rose, Head Coach of the OPSU Rodeo Team. “Our student-athletes work hard both in and out of the arena, and by becoming an Aggie Partner the committee is showing them they believe in them more than just in the classroom. It’s that type of support that keeps us competing at a championship level. We’re so thankful for the committee’s continued support and everything they do for our program and our community.”

The connection between OPSU Rodeo and the Guymon Pioneer Days Rodeo runs deep. Each year, the team plays a key role in the success of the rodeo, working behind the scenes during slack, assisting in performances, and helping ensure the event runs seamlessly. Their involvement allows committee members and volunteers to focus on creating a top-notch experience for contestants and spectators alike.

“Without the help of the OPSU Rodeo Team, our rodeo couldn’t happen the way it does,” said one committee member. “They bring the same work ethic and drive to Pioneer Days that they show at college rodeos all year long. It’s truly a partnership that strengthens both the event and the community.”

Together, the Pioneer Days Committee and OPSU Rodeo bring an incredible economic and cultural impact to Guymon each spring. From hospitality and lodging to local businesses and youth involvement, both groups play a vital role in showcasing the Panhandle’s pride, tradition, and unmatched hospitality.

By becoming an Aggie Partner, the Guymon Pioneer Days Rodeo Committee is continuing that legacy, investing not only in the success of the annual rodeo but in the next generation of rodeo champions and community leaders who proudly carry on “A Winning Tradition”.

December 2025 Business of the Month-GAB's Bottle In A Bag

GAB's Bottle In A Bag and GAB's 2nd Bag are owned by Gordon, Avenlee, Bryana (GAB) Gahagan. (GAB is also BAG backwards!) GAB's Bottle In A Bag was opened June 3, 2015. The building has been a liquor store since 1959, and the Gahagan's are the 3rd owners. Due to their limited knowledge of liquor, they asked customers to list items that should be stocked. They have expanded the store 3 times. The Iceberg and the Ice Cube for cold beer sales were added after the law changed in 2018. "Anyone can have a beer cave. We have an Iceberg and an Ice Cube because we aren't like everyone else. It comes complete with Aurora Borealis painted on the ceiling." The wine room was added for a much needed larger selection of wine, sparkling wine, mead, saki, soju, etc. GAB's 2nd Bag was opened when they had the opportunity to buy the old OK Liquor building. They figured they might as well be their own competition while also providing liquor service to the other side of town.

The bright yellow walls and black trim in both stores provide for a bright interior to help the bottles stand out. (The colors could also be because they are Pittsburgh Steeler fans since Gordon grew up not far from Pittsburgh.) Gordon, a drummer, came up with the decor of drum sets, stage lights, cymbal lights, and foot pedal credit card stands to display, showcase, and highlight various products around the store. The goal is to make these stores fun to visit and shop. Avenlee enjoys helping people pair products for special occasions and discussing drink recipes. Naturally the stores cannot house everything available, so Bryana is happy to try to locate special items for customers. Both stores have special order books so that customers can request items they want. GAB's Liquor helps sponsor various events in Texas county. They offer discounts on cases of items. In addition to alcohol beverages, mixers, glassware, & bar tools, They also have gift certificates available and bring in lots of different design bottles that are fun to collect or give as a gift.

"We credit a lot of our success to our employees. They are friendly, helpful, reliable, honest, and a pleasure to work with. Thank you to all our past, present, and future customers for helping us succeed! This has been a fun and educational journey for sure! 2026 will bring new and exciting things! Thank you Guymon Chamber for selecting us as Business of the Month December 2025!"

Results Realty LLC is honored to be named the Guymon Chamber of Commerce Business of the Month for December. This recognition means so much to us because it comes from the community we proudly serve every single day.

A Local Brokerage With a Heart for the Panhandle-

Results Realty was founded on January 16, 2020 by Mackie Westcott with a simple belief: Real estate should be personal, honest, and rooted in community. What began as a dream to create a client-focused, service-driven brokerage has now grown into a trusted real estate team serving families across Guymon, Goodwell, Texhoma, Hooker, and the entire Oklahoma Panhandle. Our agents — Camry Kane, Bailey Kane, Isela Barrera, and Courtney White — share these same values and work hard to make the buying and selling process smooth, supportive, and stress-free. Each agent brings unique strengths, deep local roots, and a true passion for helping people.

Main St. Merc — Supporting Local Creators and Small Businesses-

Located inside the Results Realty office, Main St. Merc was created to give back to the community by providing space for local makers, vendors, and small businesses. It has quickly become a warm, inviting spot filled with creativity, handcrafted items, and genuine community connection.

Thank You, Texas County-

This honor is not just for our business — it's for every family who trusted us, every client who referred us, and every person who supported our team along the way. Thank you for welcoming Results Realty into your homes, your milestones, and your biggest decisions. Thank you for cheering on Main St. Merc and supporting the talented vendors who make it special. And thank you for allowing us to continue doing what we love: serving the people of the Oklahoma Panhandle.
