October Business of the Month: LifesPlan Physical Therapy

LifesPlan Physical Therapy: Helping Guymon Live Their Best Lives

Since opening in January 2023, LifesPlan Physical Therapy has quickly become a cornerstone of health and wellness in Guymon. Owner and lead therapist Rachel Jones, PT, DPT, brings over 30 years of experience treating patients of all ages. Her background in pediatrics and neuro-rehab, along with advanced skills like Integrative Dry Needling, allows her to provide individualized, hands-on care while building strong relationships with each patient.

Rachel is supported by a talented team: Britney Scott, PTA, who provides care for patients of all ages and helps athletes safely return to sports; Viridiana Garcia, Office Manager & CFO, who ensures the clinic runs efficiently and supports both staff and patients; and Ellie Easterwood, Therapy Technician, who helps make therapy engaging and effective. Together, they create a welcoming and compassionate environment for the community.

Beyond patient care, LifesPlan has deep community roots. Rachel has spent over 15 years leading Panhandle Cares, developing programs and partnerships to improve health across the Oklahoma Panhandle. The team's commitment extends to every patient, family, and community initiative, reflecting their belief that healthcare is not just about recovery—it's about empowering people to live fully.

Recognized as the Chamber of Commerce Business of the Month, LifesPlan Physical Therapy exemplifies dedication, expertise, and community spirit. With a focus on individualized care, teamwork, and service, the clinic continues to help Guymon residents live healthier, fuller lives every day.

The Chamber is proud to partner with LifesPlan Physical Therapy! Congratulations!

October Business Spotlight: Linda Hill Crop Insurance

Linda Hill Crop Insurance was established in February of 1982. Linda started the business in her home after working for the Texas County ASCS office. Linda serviced multi-peril and crop hail policies. In 1992, she moved into an office space on Highway 54. And in 2002, she moved into her current building located at 106 S East Street. She hired her first employee in 1989. The agency now has five agents and two clerks. Linda has retired and the agency is owned by her three children with Sherry Hawthorne operating the business. Our employees are Jamie Hawthorne, agent with 15 years of service, Courtney Jones, agent with 14 years of service, Judi Stavig, agent with 11 years of service, Lisa Honeman, agent with 10 years of service, Dasia Harlie, clerk with two years of service, and Brooklyn Martin, clerk with one year of service. Sherry has 33 years of service with the agency.

The agency services Oklahoma, Kansas, Texas, and Colorado. We have policies for wheat, triticale, barley, oats, corn, grain sorghum, cotton, sunflowers, soybeans, and hybrid sorghum seed. We also service Pasture, Rangeland, and Forage as well as Annual Forage policies.

Our agency has been blessed to serve some of the best agricultural producers in the area.

The Chamber is honored to partner with Linda Hill Crop Insurance! Congratulations!
