Observations

Kitchen

Oven was not too bad, minor cleaning works required. Fridge freezer was washed. Cupboard front were quite hairy. Hob had cat hair on. Limescale work carried out around sink and tap. Integrated bins washed. Dishwasher treated for limescale and came up well. Washing machine rubber seal had quite a lot of hair in which was cleaned and came up well.

Lounge

Decorating touch ups carried out to areas. Woodwork washed. Balcony door and window washed. Some areas of the floor was sticky but they cleaned up well.

Bathroom

Salt treatment carried out to the plague in the toilet. Limescale work carried out to sink/plug. Bleach work/limescale work carried out to the base of the bath due to heavy plaque build up. Majority of this was lifted.

Bedrooms

Carpet very hairy in bedroom 1. This needed deep cleaning twice due to the amount of pet hair. All woodwork and furniture washed down. Glass fitted wardrobe doors washed down in bedroom 2.

Ensuite

Heavy limescale to the shower screen which came up well after cleaning. Shower head noted to be spraying front the sides when on which would need addressing. Plaque treatment carried out to base of the toilet.
