# Coach's Corner

**Featuring Tyler Barber & The Bradford Lady Red Devils**

Coach Barber's team was recently blessed with FCA bibles through a donation by Bradford First Baptist Church and sponsor Keri Lannom. Coach Barber was asked to share how he had seen God work in his life personally and in his team since they began using the Bibles in team devotions.

"Our team has grown in the little things. The girls are more intentional with each other, more encouraging and more aware of how they respond when things don't go their way. For me personally, I have been reminded to slow down and trust God with the outcomes. My focus has shifted to loving and leading the girls the right way, not just teaching basketball. Six team members have since given their life to Christ and that is the biggest and best impact of all. We are extremely grateful for the presence and support of FCA in our sports programs and school."
