

BESPOKE

MOBILITY

MAKE YOUR HOME YOUR OWN

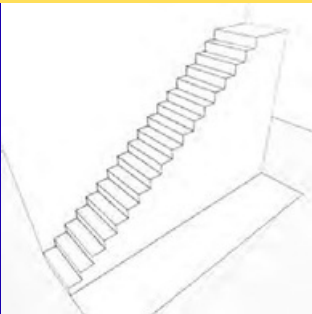

Needing help to climb your stairs shouldn't be a concern, Bespoke Mobility products are helping those who want to live their life like they always have.

Enjoying the freedom of your own home whatever life throws at them.

WHICH TYPE OF STAIRLIFT DO YOU REQUIRE?

Below shows two typical staircase types to help you determine which stairlift would be suitable for you and your home.

STRAIGHT

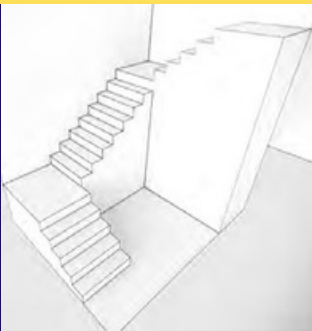

A typical straight staircase leads up to the next floor without any middle landings.

THE SYNERGY STRAIGHT

CURVED

A curved staircase has a straight set of steps leading to a landing and then additional steps leading onto the next floor.

THE SYNERGY

The **Bespoke straight stairlift** simple in its operation yet detailed in design

SYNERGY

The Synergy's compact design has a host of hidden features allowing you to reclaim your independence at home.

Straight staircases shouldn't stop you enjoying your home.

The Synergy is a simple to use stairlift that can transform your day-to-day life.

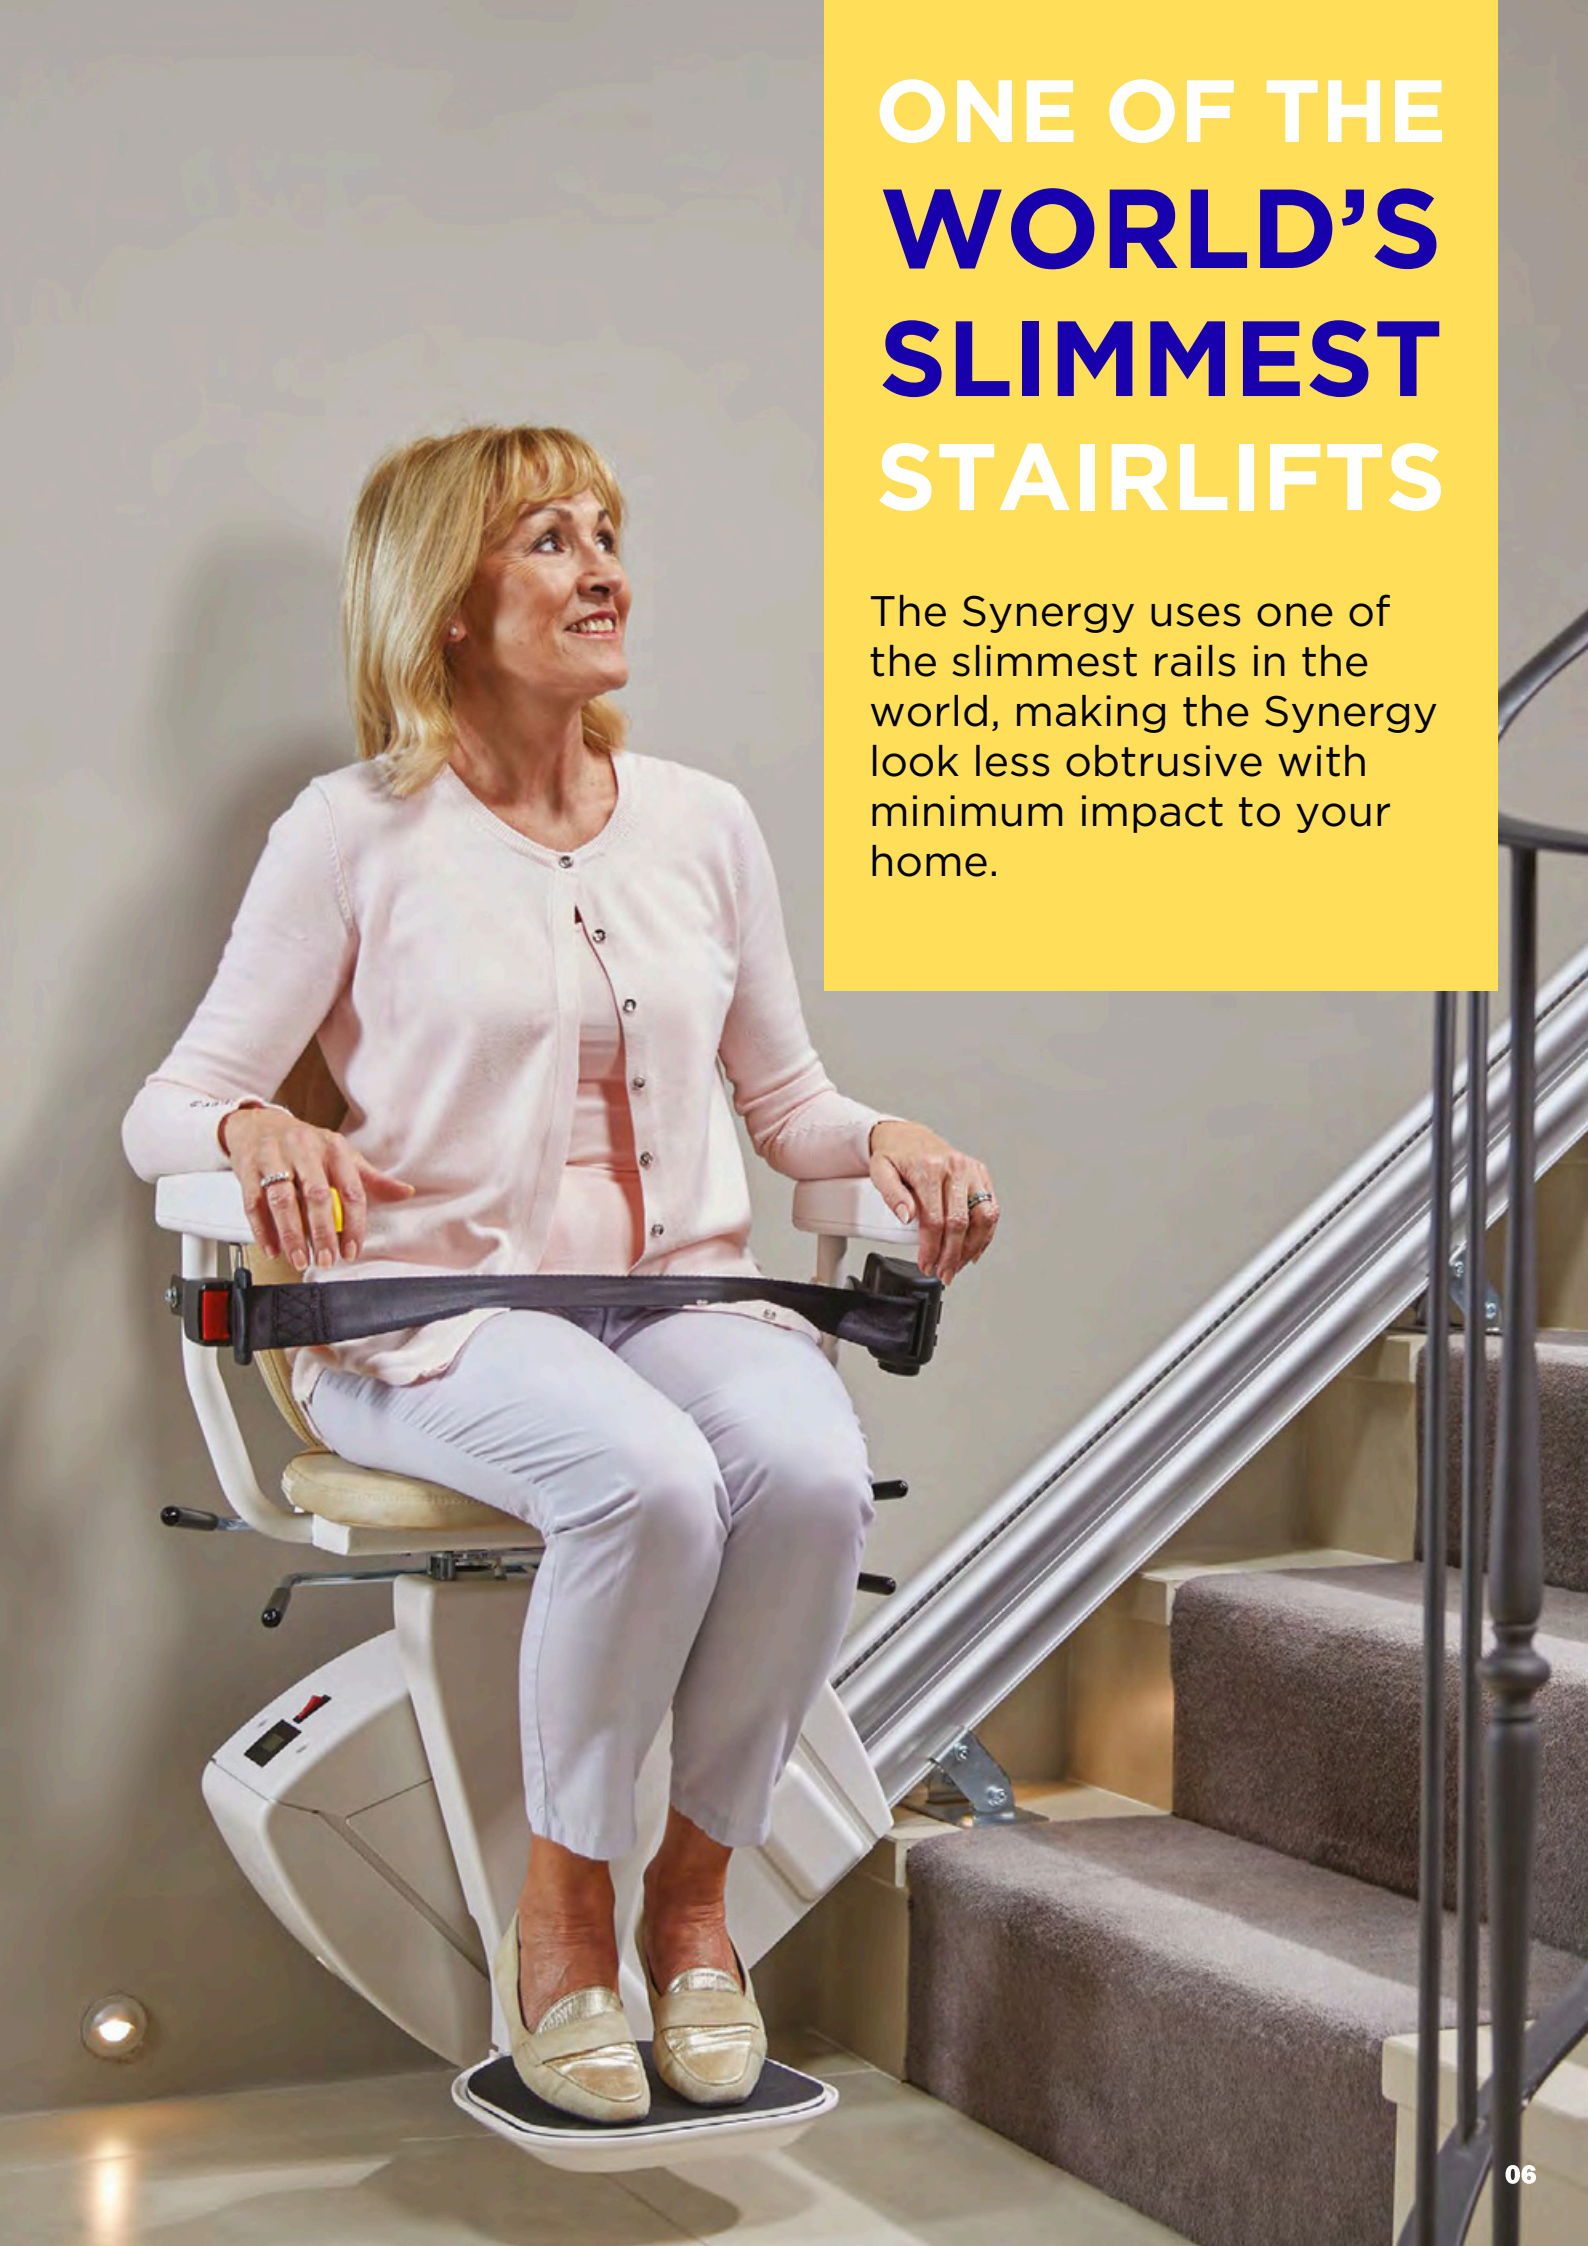

ROOM FOR OTHER USERS

The Synergy leaves as much space as possible on the stairs for other users.

The chair and footrest folds neatly against the wall allowing other stair users easy access.

—MADE IN—
**GREAT
BRITAIN**

A woman with blonde hair, wearing a light pink cardigan and light blue trousers, is sitting on a white Synergy stairlift. She is smiling and looking upwards. The stairlift is positioned on a carpeted staircase with a dark metal handrail. The background is a plain, light-colored wall.

ONE OF THE **WORLD'S** **SLIMMEST** STAIRLIFTS

The Synergy uses one of the slimmest rails in the world, making the Synergy look less obtrusive with minimum impact to your home.

COMPLETE COMFORT & CONTROL

The Bespoke Synergy straight stairlift includes many features as standard, enhancing the practicality and usability for the user and household to live with.

REMOTE CONTROL

Ergonomically designed and easy to use, remote controls are supplied with the Bespoke Synergy as standard, giving the user total control of the stairlift.

COMPLETE CONTROL

Controlling the Synergy stairlift is comfortable for all users even for those with reduced dexterity.

The ergonomically designed toggle switch is available for left and right-handed people.

SAFE & SECURE

The simple and fully adjustable seat belt option means that you will be safely held on the seat when the stairlift is in operation, giving you added peace of mind and security.

EASY ON EASY OFF

With a gentle turn of the handle, the seat turns allowing you to get on and off the Synergy with ease and confidence.

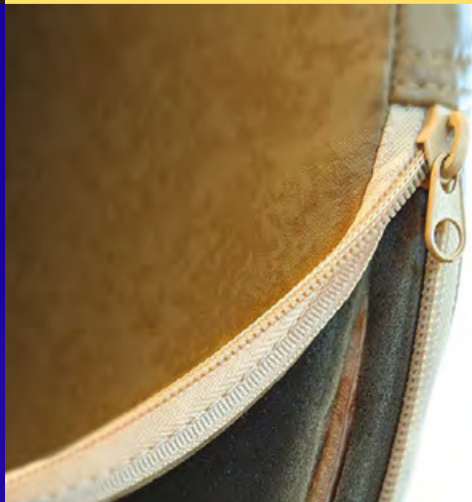

CLEAN, CLEAR & PRECISE

Compared to other stairlift manufacturers, Bespoke includes so many simple and innovative solutions as standard, giving extra value for the customer.

PADDED SEAT

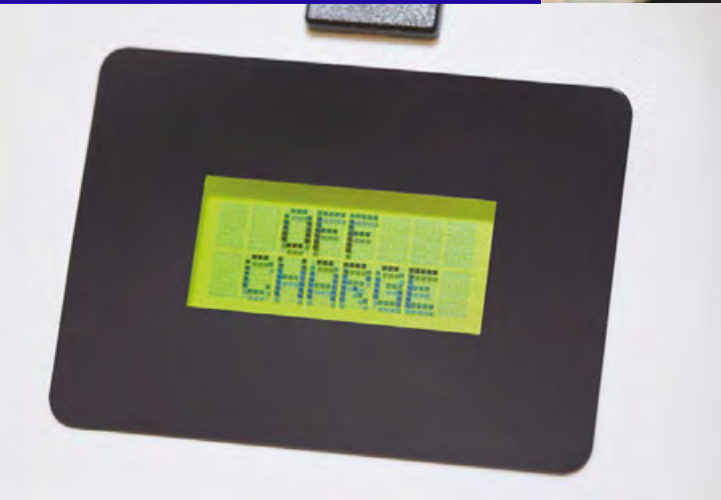

The padded seat and backrest are made from high quality machine-stitched vinyl giving the user added comfort.

REMOVABLE COVERS

The vinyl padded seat is durable ensuring minimal scuffs and marks occur.

Easy to wipe down or easily zipped-off for a deeper clean.

EASY TO UNDERSTAND

With the digital diagnostic display as standard, you can easily understand the Synergy stairlift and its status with the clear, backlit text.

This means you don't need to decipher complicated digital codes, bleeps or flashing lights.

SAFETY SENSORS

The Synergy includes safety sensors and pressure plates on the footrest and carriage that will stop the stairlift if there's an obstacle on the staircase.

SYNERGY

STRAIGHT STAIRLIFT

ONE OF THE
SLIMMEST RAILS
IN THE WORLD

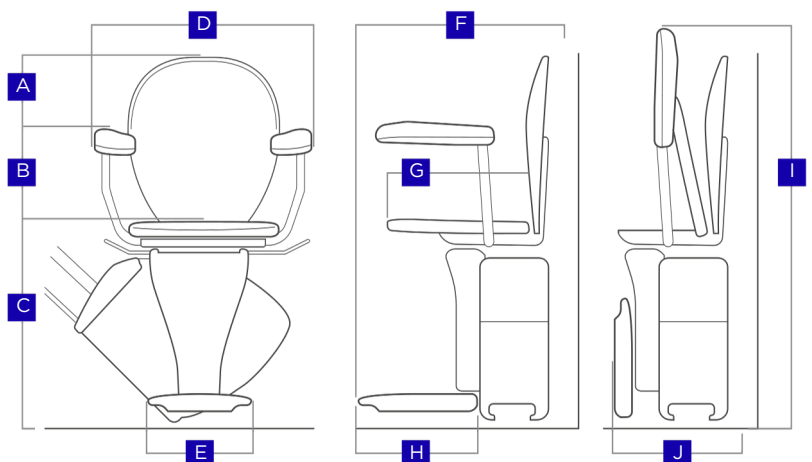

The straight rail is made of aluminium giving the stairlift the best ride possible and without obtruding the staircase.

The legs fit to the stair treads and not the wall preventing any unsightly cracks or damage.

MADE IN GREAT BRITAIN MADE FOR YOU

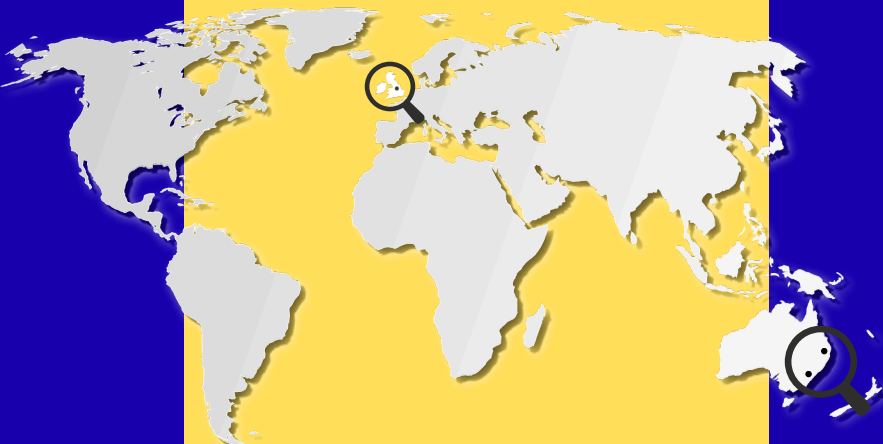

At Bespoke Mobility, we proudly partner with Bespoke Stairlifts, our dedicated UK manufacturer. Known internationally for their engineering quality and reliability, Bespoke Stairlifts supply us with premium stairlifts that we import directly into Australia & NZ.

BASED IN HUDDERSFIELD, UK PROVIDING STAIRLIFTS TO CUSTOMERS WORLDWIDE

By combining their engineering expertise with our local knowledge in surveying, installation and servicing, we ensure every customer receives a stairlift tailored to their home and needs.

This partnership allows Bespoke Mobility to offer Australian & NZ customers direct access to high-quality UK manufacturing paired with reliable local support.

Bespoke Stairlifts supply partners across Europe, Asia, South America and Mexico through a flexible global distribution network. As the official Australian partner, Bespoke Mobility imports these stairlifts directly and installs them locally for customers across Australia and New Zealand.

THE BESPOKE TEAM

A MAJOR PART OF OUR SUCCESS STORY

Bespoke Stairlifts have a dedicated team, a network of approved installers and qualified engineers in the UK and worldwide, that are ready to transform clients lives.

Over the years they've invested heavily in their staff, particularly in their fabrication department.

The fabrication team not only builds the rails to the standards customers expect, but they are also at the forefront of every development introduced.

Bespoke Stairlifts see it that those who work on products day to day can offer the best insight into how they can improve their products and that knowledge is passed on to clients and in turn ours.
