

The Art of Celebration!

A Love Story

Behind every beautiful surface is a relationship. Over the years, the studio has been shaped by the designers, architects, and clients who brought us into their world, and by the talented artists whose hands have touched every project. To each, on this anniversary, we offer our deepest gratitude.

We are very lucky to dedicate our life to the applied arts and creating beautiful environments. From our first commissions in Buenos Aires to today, our studio has always been more than a business. It is the sum of every collaboration, every creative conversation, and every interior that bears the mark of that collective care.

Wishing you and all those you love a
Very Happy Valentine's Day

Cindy & Jorge
