**FREQUENTLY ASKED QUESTIONS****I am about to qualify for my Intermediate Officer Certificate, should I call TCOLE?**

**YES**, contact TCOLE at (512) 936-7700. Effective September 1, 2011, TCOLE is required to collect fees for all peace officer, jailer, and tele communicator proficiency certificates. As proficiency certificate levels are met, TCLEDDS will continue to automatically award and display this achievement on the personal status report (PSR) but will no longer mail the certificates to appointing agencies. Individuals who desire a hard copy of their certificate must electronically submit an application and pay a \$35 fee per certificate. Licensees can purchase hard copy certificates to be mailed, by credit card or bank draft, through their online training account.

**How do I obtain a transcript of my continuing education? How do I determine the course I have to take during the TCOLE training cycle?**

Contact TCOLE at 512-936-7700, or create a User ID and Password on <http://www.tcole.texas.gov> at MyTCOLE Training. Should there be a discrepancy with training received at the HCSO Academy, contact the Training Academy Coordinator at [sheriff.training@hayscountytexas.gov](mailto:sheriff.training@hayscountytexas.gov).

**What other training resources are available?**

Approved training academies and training providers are listed on the TCOLE web site at <http://www.tcole.texas.gov> in the Training Providers link.

**If I attended training at another agency or attended a seminar, is it possible for me to receive TCOLE credit?**

Possibly, if the training is job related. You will need to provide a copy of the course outline, the instructors' credentials, an outside agency instructor evaluation and a certificate of completion to the Hays County Sheriff's Academy review within ten (10) days of completion. If approved, course credit will be submitted to TCOLE for their approval.

**How long is the TCOLE Training Cycle?**

Forty-eight (48) months. The "cycle" is comprised of two training "units". To maintain their license, Peace Officers must attend 40 hours of training during each 24-month training "unit". Correction Officers must attend Cultural Diversity during the training "cycle". Those holding an Intermediate Peace Officer license or above are exempt from Cultural Diversity and Special Investigative Topics. (Questions concerning the licensing requirements will be directed to TCOLE.) The current "unit" runs September 1, 2025 - August 31, 2027. The current "cycle" runs September 1, 2025 - August 31, 2029.

**Does Cultural Awareness taken in BCAT or BPOC count towards the TCOLE 48-month training requirement?**

Yes, however, it only counts toward the first 48-month training cycle.

**REGISTRATION AND CANCELLATION INFORMATION**

1. Registration for courses will be made via supervisors (for employees below the rank of sergeant) by contacting the Training Academy via email at [sheriff.training@hayscountytexas.gov](mailto:sheriff.training@hayscountytexas.gov).
2. Should cancellation become necessary, the students' supervisor (if the student is below the rank of Sergeant) will notify a Training Academy Supervisor and/or the Registrar of the cancellation via email. Telephone cancellations are not permitted. Email cancellations should be sent to [sheriff.training@hayscountytexas.gov](mailto:sheriff.training@hayscountytexas.gov).
3. Should registration for a course fail to meet the minimum limit of students, the course may be canceled. If an alternate date is available for the same course, the students will be offered the opportunity to re-register with supervisor approval. When a course is canceled, outside agencies will be reimbursed.
4. The Training Academy will attempt to notify registered students of a course cancellation prior to the scheduled start date for the course. Email will be the preferred method in attempting to do so.
5. Hays County Sheriff's Office employees have priority over outside agency students attending any Academy classes.

**GENERAL OPERATING PROCEDURES**

1. Unless otherwise noted, all classes are scheduled on an 8:00 a.m. to 5:00 p.m. workday with one hour for lunch.
2. Students are expected to report to class on time. Tardiness will be addressed by the Academy Supervisor in accordance with HCSO Policy.
3. Students will bring to class all appropriate materials necessary for note taking, and any duty equipment that is required for the scheduled training.
4. Students are expected to attend courses in their entirety. Absences during a training class must receive prior approval from a Training Academy Supervisor and the student's immediate supervisor.
5. The Training Academy is a tobacco free building. Smoking and/or dipping are not allowed in the building. A designated smoking area is provided east of the building, adjacent to the Academy parking lot. Tobacco use outside of the designated smoking area is prohibited.
6. Cleanliness of the Training Academy is everyone's responsibility. Waste materials will be disposed of in the appropriate receptacles. Students will remove their materials from the classrooms at the end of each training day, unless directed otherwise by the course coordinator.
7. Chairs and tables are to be used in their intended manner. Students will not sit on tables or prop their feet or legs over the arms of chairs or on tables.
8. Telephones and computers in Academy Staff offices are not to be used by students.
9. All cell phones are to be placed on silent mode while attending classes. Usage of computers and electronic devices is prohibited in the classroom unless approved by an Academy Instructor.

## STUDENT DRESS CODE

It is the responsibility of each student to comply with grooming and dress standards while attending any Training Academy course. Attendees who do not meet these minimum standards will be directed by Academy Staff to immediately conform to the policy. Those unable to conform will be directed to leave the class and report back to their immediate supervisor as soon as practical. If the student can make necessary adjustments to meet policy requirements, he/she may be allowed back into the class. Academy supervisors exercise discretion on issues of appropriate grooming and dress for all students. Supervisors will receive electronic documentation of their employees' inability to comply with the authorized dress code.

Regardless of class dress requirements, all clothing will be clean, in good working condition, and portray professionalism, free of obscene or offensive writing or images.

Dress requirements are identified in four distinct categories and may supplement the established standards for practical purposes: **Uniform**; **Casual**; **Physical Training**; and **Field**.

### The Dress Code category "Uniform" is defined as:

- The student's issued Class B uniform as worn on duty.
- If the student wears a firearm and duty belt while on duty, the student may, but is not required to, wear it while in the classroom. Firearms will remain secured in the holster at all times unless directed otherwise by the instructor.

### The Dress Code category "Casual" is defined as:

- Long sleeve or short sleeve dress shirts, blouses, polo or sport shirts with a collar. Shirts or blouses will be worn tucked into the trousers or skirt, unless designed for outer wear.
- Trousers or slacks, dresses, skirts, or other female attire consistent with business attire. No denim attire, unless waived by academy staff.
- Footwear will be appropriate for duty, training, safety and/or business professional complimenting the level of dress. Sandals, flip-flop or shower shoes are prohibited.
- Absolutely no athletic attire, i.e., no sweats, wind suits, tank tops, muscle shirts, etc.

### The Dress Code category "Physical Training" is defined as:

- Tactical dress uniforms, BDU's, jumpsuits, etc. which are suitable for physical activity. Clothing should be able to accommodate a duty belt, if applicable.
- T-shirts, sweatshirts, or tactical shirts portraying a positive public image or department logo may be worn. No tanktops or muscle shirts.
- Footwear will be appropriate for duty and safety, which is consistent with indicated training.
- In remote areas, a limited supply of water is provided. Students are strongly encouraged to supply their own food and drinks when attending training in remote locations.

**The Dress Code category "Field" is defined as:**

- Clothing suitable for extended periods of time in a remote or outdoor location.
- Items of clothing such as T-shirts, overalls, jeans, BDU's, ball caps, cowboy hats, athletic shoes, hiking or combat boots, field jackets, sunscreen, portable shelter, etc., are authorized.
- The Texas climate dictates what will be appropriate in these settings and a variety of clothing is acceptable so long as the field dress is clean and in good condition.

In remote areas, a limited supply of water is provided. Students are strongly encouraged to supply their own food and drinks when attending training in remote locations.
