### What the school is known for

Queen Ethelburga's is known locally, nationally, and internationally as a multi-award-winning day and boarding school offering a bespoke learning journey for every child. Unlike traditional approaches, QE works with families to shape an academic pathway that celebrates and nurtures each student's strengths and passions. QE is uniquely structured into four schools (Chapter House - 3 months to Year 5; King's Magna - Year 6 to 9; College and Faculty - Years 10 to 13) with an ethos of 'To be the best that I can with the gifts that I have' underpinning everything. From Year 10, students can choose between the two senior schools, College or The Faculty, which offer differing academic pathways depending on whether the student wants a traditional academic education or to access more vocational and modern courses.

Whether a child is academic, creative or athletic, QE offers the space and support to flourish at whatever point they are joining us. For more information or to book a private tour contact [admissions@qe.org](mailto:admissions@qe.org).
