

The goods and services shown are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This does not include prices for certain items that you may ask us to buy for you, such as cemetery, flowers, newspaper notices, clergy honorarium, certified copies, police escorts, etc. The prices for those items will be shown on your bill or the statement describing the funeral goods and services selected. This General Price list represents the funeral services and merchandise that we have to offer.

Those of us who work at Strawmyer & Drury know death is difficult. Like you, we've had deaths in the family, and we know that most people don't feel up to making big decisions when they are grieving. We have tried to make this price list as easy to understand as possible. If you have questions, ask them – that is what we are here for. Just because we have not listed a particular option on the list does not mean we can't accommodate you. We will be available to sit down with you and plan a funeral service that is appropriate and satisfying.
