Now that you have your booking with your designated artist, here are a few details for you in regards to where your appointment will be taking place, what is best to bring with you and general details, for an even more luxurious, informed and comfortable experience during your time with us.

**WHERE ARE WE LOCATED:**

Our location address is:

JUNE ALMOND HOUSE, 20-22 MARY STREET, MANCHESTER, M3 1DZ

**HOW TO FIND US**

Upon arrival you will see bright yellow gates (which are always open during the day, for evening appointments it may appear closed but they are not locked and can be manually pulled open)

Go straight through the yellow gates, you will be met with a gravel car park, follow this to the very end as we are the last unit. We have free parking, please park considerably for other users of the car park. Press the intercom next to the glass door and someone will let you in.

Please refer to the images below for further help. The yellow dot is most likely where your satnav will take you - B&J Supplies, follow the yellow line on the map below to reach the yellow gates and follow on to the studio.

If you are coming via train it is only an 11 minute walk from MANCHESTER VICTORIA TRAIN STATION.

Appointments can sometimes run into late evening/night, please do not make plans for after your appointment if possible. If you need to leave by a certain time, please have this conversation with your artist prior to the appointment. It is advisable if you have travelled here from further away to book a hotel nearby as you will be extremely tired after long tattoo sessions and it is not advisable to drive long distances straight after.
