**New Parish Parking Available!**

We're excited to have additional parking available for our parish community! With the completion of our newest parking lot, we now have four primary parking lots available for parishioners and guests attending Mass, parish and school activities. This includes the Richardson Funeral Home parking lot, which is now connected to the new North Parking lot, and the school staff lot.

**Please refer to the parking map to see the locations of all four lots.**

Street parking is also available where permitted, including on Main Street on Sundays 7 a.m. to 1 p.m.

Please do not park in any of the First United Methodist Church lots. Thank you for helping us be good neighbors by parking thoughtfully and observing all posted restrictions.

We are grateful to those who supported the Foundation for the Future Campaign to make this additional parking possible. We hope the increased capacity makes attending Mass and parish events easier and more convenient for everyone.
