## Outer Burial Container Price List

These prices are effective September 3, 2025  
and are subject to change without notice.

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

Our funeral home makes no representations or warranties about the protective value of certain outer burial containers other than those made by the manufacturer. The only warranties, expressed or implied, granted in connection with goods sold, are the written warranties, if any, extended by the manufacturers thereof. No other warranties and specifically, no warranties of merchantability and fitness for a particular purpose are extended by the seller.
