

What a spectacular end to an incredible festival week! The Brandon Festival showcase was the ultimate celebration, featuring scholarships, special awards, and 30 "Adjudicator's Choice" performances that absolutely blew us away. With so many unforgettable routines hitting the stage this week, we can only imagine how tough it was for the adjudicators to narrow it down! Every single dancer brought so much heart and soul to the floor, and we couldn't be prouder. A massive congratulations to all of our performers and instructors—you made this Festival one for the books!

Below is a full list of Steppin' Time Adjudicator Choice Performances, Scholarship and Trophy Winners!
