

After 31 years of business in Brandon, Steppin' Time Dance Studio is filled with gratitude for the incredible support of our dance community and amazing faculty. Over the past three decades, we've created countless memories and watched students grow up within our walls. Today, we are proud to welcome the next generation of dancers into our classes. It has been an incredible journey of passion, dedication, and community—and we're just getting started!

Land Acknowledgement

We respect the treaties that were made on these lands and acknowledge that the WMCA is located on Treaty 2 Lands. On behalf of Steppin' Time, we welcome you to the traditional homelands of the Dakota, Anishanabek, Oji-Cree, Cree, Dene and Metis peoples.

We at Steppin' Time acknowledge and respect the history, land and the people of this area.

A territorial or land acknowledgement is an act of reconciliation that involves making a statement recognizing the traditional territory of the Indigenous people who called the land home before the arrival of settlers, and in many cases Indigenous people still do call it home
