### SKILLS

My in-depth knowledge of Adobe Creative Suite, Blender, Canva, Microsoft Office, Zoho CRM & Marketing Tools or Wordpress enables me to translate complex ideas into intuitive user experiences.

As a Communication Designer, my aim is to create designs that appeal to users and capture their interest - from concept development through to a widespread range of layouts, presentations, illustrative graphics or logos.

Various projects have provided me with experience in multiple areas, such as print design, web design, email marketing, social media, image editing and exhibition stands.

### LANGUAGES

English,  
French,  
German (native)

## Fine Wine Investment Report

### Q2 2023

## Highlights

- Market Turmoil continues against a backdrop of Global economic uncertainty and recession fears. Fine Wine offers stability.
- The 2022 En Primeur Campaign is seeing strong interest and significant price increases.
- Vindome experienced several areas of growth well above the market average.

by our Master of Wine Rod SMITH

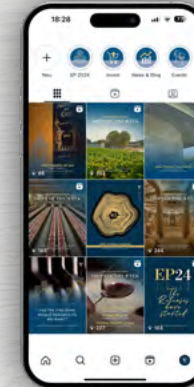

**Investing in wine with Vindome**

Investing in wine has never been so easy. Vindome has worked very hard to take out all the hassle traditionally linked with wine investments. Not only do we guarantee the provenance of all our wines but we also give our users all the necessary information to create a balanced portfolio and make the right decisions about when and what to invest in. Furthermore, we give you access to thousands of other investors and collectors greatly making it super easy to help your own when the time is right. All from the comfort of your mobile phone or tablet.

With Vindome you are in safe hands and we take care of both our customers and their wine.

**You are in safe hands**

- Authenticity is guaranteed**  
Vindome only sources wine directly from the producer or negotiator, meaning the wine goes directly from them to our bonded warehouse. When the case enters our warehouse, it is inspected and appraised as well as securely marked with a NFC, their Food Communication's membership.
- Secure & transparent transactions**  
All Vindome transactions are secure, transparent and traceable thanks to block generation information on blockchain. The NFC tag contains information with regards to the contents of the case and transaction history and all transactions are stored on blockchain.
- We take care of storage & insurance**  
Our bonded warehouses offer ideal temperature controlled and secure storage solutions. Storage and insurance fees start from just €0.59 a month, wine is insured at market value.
- Delivery**  
Our worldwide expert delivery service means you can enjoy your wine at home - or send it to someone as a surprise! Import fees and delivery costs are additional to the price of the wine.
- Sourcing**  
Our team of experts can source the perfect wine for the perfect occasion. If you have a special request that is not showing on our live market, we will do our best to source it through our extensive network of vintners and negociants.
