FOREWORD

In Australia Seniors, Veterans or Masters Cricket, until 2007, was played amongst teams from regional centres and in general it was played amongst players who had finished grade cricket and were looking to maintain their interest in their game of choice. Generally, cricket at this level catered for players who were in the 40s+ age demographic. At this stage of their life, Masters players realise their best cricketing years are almost forgotten but they still have a desire to play the game that they may have played 20 or 30 years ago. What better way is there to enjoy the game than taking the field with your former buddies, renew old friendships and meet new people who share a similar interest?

In 2006 Mr John Hammer from Victoria changed the whole outlook when he set about organising an event at the ANU in Canberra. He set out to do something for the Over 60s when he realised that they could no longer cut it with their newly retired over 40 colleagues. The event featured teams from ACT, TAS, NSW and Victoria.

As a result of John Hammer's vision, all Australian States, the ACT, NT and New Zealand now attend National Championships, competing in Over 40s, Over 50s, Over 55s, Over 60s, Over 65s, Over 70s, Over 75s and Women's. Competitive Over 80s matches are played at the Over 75s Championships. The growth of Masters Cricket has seen over 6,500 players taking to the field at grassroots and representative levels on a regular basis across Australia. This represents a staggering growth rate.

The Annual Cricket Australia Masters (CAM) National Championships acknowledge the high level of interest across Australia and provides an opportunity for our ageing cricket population to gather and celebrate all that is great about its National Sport - CRICKET. Masters are living and supporting the CA Vision to make Cricket "Australia's favourite Sport and a Sport for life".

This document is designed to specify requirements and provide guidance and information to State Organising Committees with the organisation and conduct of a successful Masters Championship. **Please note that several sections are currently under review.**

1 CHAMPIONSHIP ORGANISING COMMITTEE

Cricket Australia Masters (CAM) National Championships are the prime responsibility of the relevant CAM Playing Group Committee. The Chair of the Playing Group shall report to the CAM Board via the CAM Advisory Group and is to act as an intermediary between the Advisory Group and the host state's Organising Committee.

BEFORE THE CHAMPIONSHIP

The Host State/Territory will appoint an Organising Committee at the selected location, to convene the overall organisation and staging of the Championship. The Committee will be appointed as soon as practicable prior to the Championship and will be directly responsible and report regularly to the executive of the Host State and Playing Group. Membership of this Committee must include a Chair, Secretary, Treasurer, Play HQ Coordinator, Umpire Coordinator and sufficient members to ensure the successful staging of the Championship.

The Host State/Territory will submit a list of members of the Organising Committee and their contact details to

- the CAM Secretary
- the CAM Playing Group Chair
- interested parties within their respective State or Territory

The Host State/Territory, in conjunction with the Playing Group Chair, will submit the proposed Championship dates to the CAM Board, ideally in time for announcement at the previous year's Championship. The first day of the Championships is the day of the first event held ie. meetings, welcome functions, umpire briefings.

A draft budget, for review and endorsement, must be submitted to the CAM Treasurer using the CAM National Championships Budget and Reporting spreadsheet, NO LATER than 3 MONTHS prior to the National Championship commencement date.

AFTER THE CHAMPIONSHIP

Within 3 months of the conclusion of the Championships, the Organising Committee must provide a written report on the Championships to the CAM Advisory Group via the Chair of the relevant Playing Group or Host State. It is highly recommended that players are surveyed immediately after the Championships. The purpose of this report is to inform both the CAM Board and future Organising Committees and must include:

- a review of the cricket played – numbers of teams & players, winners of each division, Player of the Championships, suitability of venues and balls used, umpiring, etc.
- a review of the Championship organisation. All aspects should be critiqued but particular mention only need be made of particular strengths and weaknesses. It should also include:
 - a review of social functions held, their success or otherwise, level of support by players and accompanying partners, venues, cost, etc.
 - main outcomes of any surveys held after the event
 - actual financial accounts (if not available within 3 months, they can be submitted separately no later than 6 months after the event)
 - a review of all aspects of Championship sponsorship, and
 - recommendations for the organisation of future Championships.

2 CHAMPIONSHIP ORGANISING COMMITTEE RESPONSIBILITIES

The Organising Committee will arrange a Championships Base which will house the personnel and equipment necessary for the conduct and management of the Championship. It will be staffed as required during the Championship and will be the main location / contact point for all Championship officials.

2.1 Functions and Responsibilities

- Management and conduct of the Championship
- Collation of match results and allocation of points daily
- Input of match results into PlayHQ if no live scoring was possible (see Appendix D for more information)
- The progressive updating of points tables if necessary, outside of PlayHQ
- Dissemination of match scores, results, and reports to the media if relevant, and for posting on social media platforms and publication on appropriate websites
- Liaise with media
- Ensure they are familiar with and cater for the needs of any sponsor as per any formal or informal agreements
- The provision of daily updated information to the CAM Playing Group Chair, Team Managers, national selectors and other interested parties
- Ensuring that all equipment needed for the cricket is available at the grounds prior to commencement of play ie.
 - balls
 - stumps and bails
 - boundary markers
 - scorebooks etc.
- Organise catering for lunches and drinks breaks
- Any other duties allocated by the responsible Playing Group Committee

2.2 Equipment and Facilities

These will vary from one venue to another depending on geographical location. However, the following must be available:

- Communication facilities/mobile phones at all centres/grounds
- Tables and chairs for use by managers, umpires, scorers etc
- Furniture to cater for all staff
- Computer equipment with Internet access
- An Automatic External Defibrillator (AED) at each cricket venue
- An appropriately stocked First Aid Kit at each cricket venue

2.3 Staffing

The Organising Committee should ensure that sufficient staff members are available to undertake all functions at the appropriate times.

3 CHAMPIONSHIP LOCATIONS & CALENDAR

The CAM Board will facilitate a process between States/Territories and Playing Groups to formulate a calendar listing the state/territory where each Championship will be played, preferably 3 to 5 years ahead.

It is acknowledged that

- some states/territories are unable to host more than two divisions due to ground and volunteer availability
- some states/territories are unable to host more than one Championship every two years due to volunteer availability, lack of suitable locations and capacity.

It is the responsibility of the Playing Group Committees and State representatives to determine where in the State, and when the Championship will be held, in time to make an announcement at the previous year's Championship. Anywhere from August to March during the cricket season is acceptable, however November/early December are favoured.

4 CHAMPIONSHIP OPERATIONS

4.1 General

The Organising Committee is authorised to issue invitations to all members for the participation of authorised State and Territory teams in the Championship. Following consultation with the Chair of the CAM Playing Group Committee, non-member organisations such as the Northern Territory and New Zealand and non-state teams may also be invited by the Organising Committee eg. Indigenous teams.

A list of all nominated teams and the recommended placement of such teams in the Championships Draw must be submitted to the Chair of the CAM Playing Group Committee for approval.

4.2 Fixtures

Championships will be played over 6 days. Day 1 is allocated for a Meet & Greet Function if wished, and necessary meetings and briefings. Matches will be scheduled on Days 2, 3 and 5. Day 4 is a scheduled rest day and Day 6 will be used for the playing of finals with all teams involved.

A 7 day Championship may be held for O70s and over if the Organising Committee and Playing Group agree. Matches are then scheduled on Days 2, 3 and 6. Days 4 & 5 are scheduled rest days and Day 7 will be used for the playing of finals with all teams involved.

A 7 day Championship may be held if a Playing Group wishes to mirror the semi-final and grand final model of IMC World Cups. Matches are then scheduled on Days 2, 3 and 5, with semi-finals on Day 6 for all teams, and a standalone Grand Final on Day 7 for 1st Division.

4.3 Player Eligibility

Age Eligibility

All players must be at least the age denoted by the Championship title by 31 December of that championship season eg. Over 40s players must be 40 years of age or more by 31 December of that

championship season. Over 70s players must be 70 or more by 31 December of that championship season and so forth.

Exception: Women's teams can have up to two underage players per team on an "as needs basis".

Team Eligibility

Players are eligible to play for the state/territory in which they play domestic masters cricket, or other forms of domestic cricket. This state/territory shall be known as their Home State. Players who play domestic cricket in two states/territories can elect their Home State.

If a state or territory wishes to name a player to play at a National Championship for a team other than one representing their Home State, the receiving state or territory must consult with the Home State by contacting the Home State or Territory Masters Cricket body as soon as possible before the National Championships. The Home State or Territory has 7 days to respond at which time it will be assumed that the player is free to be selected.

Players who are not selected for their Home State should not be arbitrarily prevented from playing elsewhere, especially where the player is geographically located near the non-Home State, unless the player is suspended or unfinancial in their Home State.

Should other teams be invited to compete at CAM National Championships, the players must have an ongoing allegiance to that team (eg. NT and NZ) or be identified to be selected based on the team's eligibility rules (eg. Aboriginal team).

Financial Eligibility

All players must be financial members of CAM, via membership of their Home State at the time of the Championships.

Common Requirement

All players must be registered with PlayHQ, noting that for players based outside Australia this may not be possible.

4.4 Divisions

The Organising Committee will arrange participating teams in all Divisions in two pools based on the positions occupied by the teams at the conclusion of the previous year's Championship. Pool A will comprise the teams that finished 1st, 4th, 5th, 8th & Pool B will comprise teams that finished 2nd, 3rd, 6th & 7th.

The organisers may, with the permission of the Chair of the CAM Playing Group Committee, vary this arrangement on the following grounds:

- to allow teams which have not played one another in recent Championships to be pitted against one another
- to place teams from the same State in different Pools
- to create a fair and equitable Championship

4.5 Playing Conditions

The Playing Conditions for National Championships is a CAM document that covers all Championships. This document will be approved by the CAM Board prior to each playing season, and it **must** be adopted for all CAM National Championships. The updated Playing Conditions document can be found on the CAM website or by contacting admin@cricketaustraliamasters.com.au

5 SPONSORSHIP & MEDIA LIAISON

This section is currently under review.

5.1 Media and Sponsor Liaison Officer

The Organising Committee should appoint a Media and Sponsor Liaison Officer (MSLO) to act as a single point of reference and intermediary between all elements of Media and Sponsors, the Chair of the CAM Marketing and Promotions Committee, the CAM Sponsor Liaison Officer/s, the Host State/Territory and the Organising Committee. The MSLO should also coordinate all media & sponsors' requirements with all other elements of the Championships, ensure that they are met, and communicate any difficulties in achieving this to all parties involved.

5.2 Major Sponsor

The Marketing & Promotions Committee of CAM in consultation with Cricket Australia (CA) will endeavour to attract a major sponsor for the Championship, either on a short or long-term basis.

5.3 Minor Sponsors

The Organising Committee will make every effort to attract sponsorship to assist with defraying the cost of the Championship.

5.4 Levels of Sponsorship

All matters relating to the sponsorship of CAM-related events are the responsibility of the CAM Marketing and Promotions Committee and ultimately of the CAM Board. With the approval of the Chair of the CAM Marketing and Promotions Committee sponsorship packages may be produced for the various elements of the Championship (Refer to Appendix C for details):

- National Championships Naming Rights Sponsor
- State Supporting Partner
- Local Sponsor
- Service Partner (e.g. Transport, Accommodation, Events etc)

5.5 Conflict of Interest

Care must be exercised to ensure that any National Championships Naming Rights Sponsor, State Supporting Partner or Local Sponsorship does not conflict with existing CA or CAM sponsorships and partners.

The CAM Board's Marketing & Promotions Officer and, if necessary, the CAM President must be consulted in determining whether a conflict exists. Should a conflict exist, CA and/or the CAM partner/s shall be approached and given first right of refusal. All proposed State Supporting Partners and Local Sponsorships must be approved by CA and CAM prior to being finalised.

5.6 Recognition of Sponsors

The Organising Committee through the MSLO must ensure that sponsors are appropriately recognised according to the terms of their agreements. Examples of relevant recognition include:

- Ground Signage
- Advertising in Championship Handbook and any other communications circulated widely
- Signage at Presentation Event
- Recognition in Media Releases and on Social Media platforms

6 TRANSPORT

All transport arrangements to and from match venues and functions are the responsibility of the participating States/Territories/invited teams. It is recommended that SIXT Truck & Car Rental are the first point of contact, as they are an official sponsor of Cricket Australia. Please ensure you notify the SIXT contact to ensure the required vehicles are available and arrangements can be made to ensure interstate fleet movement can be arranged. The discounts available for each state are exceptional for the hire of both self-drive minibuses & car hire. Booking codes for Sixt Rentals are available from State organisations.

7 ACCOMMODATION

All accommodation arrangements are the responsibility of the participating States/Territories/invited teams.

The Organising Committee is expected to provide options for appropriate accommodation with several low, medium and high-end accommodation options, possibly as part of its sponsorship arrangements. These options should be within reasonable proximity to match and function venues and other facilities eg. restaurants, shops. This information should be provided to attending States/Territories/invited teams as early as possible, through early Bulletins and Newsletters.

8 PLAYING VENUES

8.1 Provision of Grounds

The provision of high-quality turf pitches and playing surfaces are the prime consideration in the organisation of the Championship. These factors should override the availability of sights screens and off field facilities such as pavilion/dressing rooms, spectator accommodation etc. Temporary arrangements can be provided to adequately cater for off field requirements (e.g. tents or portable accommodation).

In some circumstances ie. lower division matches when turf pitches are not available with approval of Playing Group Committee, or as back up grounds when wet weather has intervened, matches may be played at grounds with synthetic pitches.

The following **must** be provided at all venues:

- Weatherproof pitch area covers with hessian undercover if available at venue
- Scoreboard - readable and prominently positioned
- Separate table, chairs and covered accommodation for the scorers
- Curating equipment for use during matches
- Drinks trolley or another suitable container
- Boundary markers (rope, cones, discs etc.)
- Stumps and bails including spares
- Facilities for displaying sponsor signs
- AEDs and First Aid kits
- Ice or ice packs for use in the event of injuries

- Area for the preparation of food and on-field drinks (unless other delivery arrangements have been organised)

8.2 Tasks

Arrangements should be made for personnel to undertake the following tasks at the grounds each playing day:

- Manager to oversee the general running of the match. Telephone communication with Championship Chair/ Director & Championship Referee is essential.
- A person to undertake any pitch or ground curating requirements.
- A person to undertake a Risk Assessment of the playing venue prior to the commencement of each day's play using an online Game Day Checklist available at Cricket Australia's preferred insurer, Marsh <https://info-pacific.marsh.com/acton/media/44357/cricket-check-list-marsh> OR on a phone or tablet via the **Marsh Cricket Australia** app, available at the App Store or Google Play.
- Person(s) to set up and remove sponsor signs.
- Person(s) to provide drinks and appropriate food for players and officials.

9 GROUND CATERING

9.1 Lunches

These are to be provided at each ground or at an adjacent venue during matches. The following should be catered for at each match:

- 26 players
- 2 umpires
- 2 scorers
- Team officials who are not players – to be notified by each visiting state upon registration

Additional lunches may be provided for spectators etc. if arranged in advance by the Organising Committee. Payment for these lunches will be the responsibility of the person making the order. All grounds are encouraged to have tea and coffee available on arrival and during matches.

9.2 Drinks

It is recommended that the Organising Committee provide large drink dispensers, water and ice, that players can use to dispense cold water into their own water bottles during matches. Alternatively commercially bottled water can be made available. In this case eskies should be provided by the Organising Committee. Community organisations eg. Scouts, may have eskies and drink dispensers that can be borrowed.

Pre and post play drinks should be available to all players/officials at a cost, if a bar facility is available at the ground.

10 MATCH OFFICIALS

10.1 Umpires

Prior to the recruitment of umpires, please ensure contact is made via the CAM Secretary (admin@cricketaustraliamasters.com.au) with the CAM-appointed National Umpire Coordinator (NUC). The NUC will facilitate the first round of umpire recruitment for all National Championships as soon as possible, ideally 5 to 6 months before, and particularly welcomes expressions of interest from umpires to travel to Championships outside of his/her State/Territory/Country.

The Organising Committee, in consultation with the host Umpires Association and the CAM National Umpire Coordinator, is responsible for the appointment of umpires to officiate in all matches.

- Umpires should be appointed and provided with a current copy of the CAM Playing Conditions, at least six weeks prior to the commencement of the Championship.
- Umpires from interstate or overseas should be appointed to a match on all four match days of the Championship, unless they wish otherwise. The Board of CAM may agree to vary this.
- Preference should be given to umpires who are full members of their respective State/Territory Cricket Umpires Association or similarly named official organisation.
- Selected umpires should have a Level 2 Cricket Australia Umpire Accreditation, or equivalent qualifications and experience.
- Umpires are supplied with shirts by CAM via the National Umpire Coordinator. All umpires wear the same shirt across all Championships.
- The Organising Committee will be invoiced by CAM for \$25.00 per team after the completion of the Championships to cover replenishment of the shirts.
- The shirts may be redesigned no more than every second year by the National Umpire Coordinator and relevant committee.
- Umpires are supplied with lunches.
- All Umpires are required to attend a pre-Championship briefing.

The Board of CAM (with input from the National Umpire Coordinator) will set the remuneration for umpires officiating at National Championships.

SEASON 2026-27	35 – 45 over Matches	T20 Matches
Two umpires standing	\$180.00 each	
One umpire standing	\$250.00	
Two umpires, single match		\$100.00 each
One umpire, single match		\$130.00
Two umpires, double header		\$180.00 each
One umpire, double header		\$250.00

These payments are to be made by EFT, although if the umpire lives overseas it may be more convenient for him/her to be paid in cash.

10.2 Scorers

Each team is responsible for providing a scorer for each match. Ideally Match Scores are to be recorded electronically via Play HQ, with a backup on paper scoresheets.

10.3 Championship Referee

A Championship Referee is to be appointed by the Organising Committee, for the duration of the Championship.

A copy of the CAM Playing Conditions shall be provided to the appointee, at least six weeks prior to the commencement of the Championship.

The Organising Committee shall ensure that the Referee is easily contactable from one hour prior to the commencement of play until one hour after the end of all matches (telephone/mobile). A copy of the Championship Referee's duties is attached as Appendix B.

11 CHAMPIONSHIP HANDBOOK

The Organising Committee is responsible for the design and production of the Championship Handbook. It is recommended that it be in electronic form to allow for last minute inclusions and updates with the obvious environmental and cost benefits, and it should be circulated widely. If it is provided in a printed format, a digital version must be made available to each team.

The handbook must include the following as a minimum:

- Relevant welcome messages
- Championship Draw
- Team contacts and mobile phone numbers
- Playing venues and addresses
- Event Committee Executive and contact information
- Championship Referee and contact information
- Match result submission detail
- Medical contact information
- Taxi companies
- Advertising materials, including acknowledgement of all sponsors
- Duckworth Lewis Stern Method details

If supplied in a printed form, sufficient copies of the Handbook to cover all participants and other significant persons must be produced unless otherwise decided by the CAM Board.

12 MEDICAL SERVICES AND FACILITIES

Arrangements should be made with the following medical services and their details included in the Championship Handbook.

12.1 Doctors and Hospitals

One or more Doctors and the local hospital(s) should be informed of the Championships and requested to provide their services if required.

12.2 Dental Services

Local Dentists should be approached and advised of Championship details with a view to securing their services on a request basis.

12.3 Ambulance Services

Advice of the Championship dates and match venues should be conveyed to the appropriate Ambulance Service(s).

12.4 Physiotherapy

An approach should be made to one or more local Physiotherapists requesting that they make their services available to Championship participants. The details of the above services should be prominently displayed at match venues and provided to all ground managers.

12.5 Payment for Medical Services

Arrangements for these services will be at the players' cost.

12.6 AEDs

The Organising Committee is responsible for ensuring there is an operational defibrillator at each venue. If an AED is not available at the venue the committee should use local sources, or contact States to bring additional AED's.

13 OFFICIAL FUNCTIONS

13.1 Welcome Function – optional

The Welcome function may be staged in the afternoon or evening prior to the commencement of the first round of fixtures. **Please note it is optional to hold a welcome function at a Championships.**

The venue for such event needs to be large enough to cater for most players, partners, officials, sponsors and supporters. Costs should be kept to a minimum, and as per section 17 there is to be no charge to participants for this event at O60s, O65s, O70s and O75s Championships. A cash bar should be available and food service is not necessary.

Invitations should be sent to official guests in a timely manner.

The Organising Committee can choose to feature short addresses from key persons such as the Local or State Cricket Association, Local Council or Government, Lord Mayor or their advisers.

13.2 Presentation Event

Unless otherwise agreed by the CAM Board, this is the final event of the Championship and should be arranged to take place on the evening of the final playing day, or the evening before a Grand Final.

When selecting the venue, consideration should be given to its location with respect to the provision of transport to/from the teams' accommodation. The cost of such transport is a State/Territory/invited team cost and should not be included in the price of the ticket.

Official invitations should be sent to official guests in a timely manner. The Organising Committee may choose to feature short addresses from key persons. Apart from sponsor recognition (include provision for signage if supplied by sponsors/partners) and obligations to Host organisers, the focus of the event is on players, partners and their teams. Winning teams in all Divisions and the Players of the

Championships must be acknowledged. If possible, they should be brought on stage and trophies presented to the winning Captains and POTC.

Tickets to this event are ideally pre-sold or may be included as part of the Player Levy. Tickets or included cost should be sufficient with the view of the event being self-funding. Every effort should be made to obtain sponsorships in order to keep the cost to the individual as low as possible.

13.3 Other Functions

These may be arranged at the discretion of the Organising Committee.

Attendance at any associated events at a Championship is voluntary and participants should not be expected to pay for an event if they cannot attend.

14 TROPHIES & AWARDS

14.1 General

The winning team in each division at all Championships will be presented with the perpetual trophy or shield as appropriate at the end of Championship Presentation event.

In some cases there may be presentations to players:

- medallions to winning teams
- where there is no opportunity to play internationally merit teams may be chosen and acknowledged with medallions or another option ie. caps or other memorabilia.

It is preferred that individual umpires are not presented with a medallion or other award for umpiring a finals match.

14.2 CAM Player of the Championship Awards

This award is to recognise one player from each Division, who over the course of the Championships has demonstrated that they participate in Masters Cricket in the spirit of the game, adhere to the Code of Conduct, display excellence in performance and exemplify CAM's values of Spirit, Respect, Opportunity, Connection, Competition and Joy.

At the end of each match the umpire/s shall award 3, 2, and 1 points to three players involved in that match.

CRITERIA for awarding points:

- Spirit of cricket demonstrated, including respect for officials, all players and others present at the match
- Contribution to team performance beyond pure statistics
- Match impact (turning points, clutch moments etc.)
- Consistency across the match
- Skill execution under pressure
- Leadership on and off the field, not necessarily as captain

If a player is reported for a Code of Conduct breach they are ineligible to be awarded any points, and any already awarded during the Championships are to be voided

ORGANISING COMMITTEES are responsible for:

- Arranging how umpire points will be collected and collated
- Sourcing and providing trophies for this award (trophies should be of an appropriate size)
- Submitting an invoice for cost of trophies to the CAM Treasurer (this may include engraving afterwards)

The Player of the Championships trophies should be presented at the Presentation Event, and if possible, presented by a CAM Board member or the appropriate Playing Group Chair.

NOTE: the points allocated by the umpires for this award do not have any bearing on Player of the Match informal awards, if provided by the Organising Committee. The POM recipients are determined by the respective captains from amongst their opponents.

15 DISPUTES AND REPORT PROCESS

15.1 The Championship Referee

The Organising Committee will appoint a Championship Referee (CR). The Championship Referee is responsible for the resolution of all disputes and matters reported, and other duties as outlined in Appendix B.

In the context of this clause, the CR duties will include:

- Receiving all reports in written, verbal or digital form.
- Advising other members of the Disputes and Disciplinary Committee and the Chairperson of the Organising Committee of the report.
- If necessary, convening and chairing a prompt meeting of the Disputes and Disciplinary Committee at a suitable venue or online.
- Briefing other members of the Disputes and Disciplinary Committee where appropriate on
 - Any issues relating to the dispute, protest or report
 - Previous practice and interpretation of CAM rules and guidelines
 - CAM Board expectations regarding standards and behaviour (from Appendix F)
 - Any recorded precedent involving person(s) concerned (including CAM's register of Code of Behaviour offenders)
 - Determining penalties as seen fit for any indiscretions

15.2 The Disputes and Disciplinary Committee

The Disputes and Disciplinary Committee shall consist of the Championship Referee (CR) and two other persons, being the CAM Board President or his/her nominee and the Chairperson of the Organising Committee or his/her nominee, neither being from the State(s) involved in the matter to be considered, in order to eliminate any possible conflict of interest.

If a conflict of interest arises concerning any of the latter two, the CR shall find a replacement from the non-conflicted States.

When required, a meeting of the Disputes and Disciplinary Committee must be held promptly, so the three Committee Members need to be present at the Championship. If the CAM President will not be at

the Championship or available to meet online, the identity of his/her nominee needs to be known by the CR before the commencement of each National Championship.

15.3 Dispute, Protest, Reports Process

Either Umpire and Captain can make a report, and either Captain can lodge a dispute or protest, by notifying both:

- the Captain or Team Manager of the team to which the incident relates, and
- the Championship Referee (CR)

The CR must be notified verbally about the dispute, protest or report within one hour of the conclusion of the match. A written report is to be provided to the CR and the relevant team managements(s) by 7.00pm on the day of the match.

The report shall be on the attached Report Form (Appendix G), or in a format containing all essential details required in the standard Report Form.

15.4 Resolution Procedure

On receipt of the written report, the CR may determine the matter in any of the following ways:

- 1 Resolve the dispute/protest where possible, or convene a hearing of the Disputes and Disciplinary Committee as soon as practicable
- 2 If the player conduct is deemed by the Championship Referee to be a LEVEL 1 offence under Law 42 or the Cricket Australia Code of Behaviour Offences (as listed in the Appendix F Report Form) he/she may issue a penalty, and invite the player reported to accept the penalty or go to a hearing
- 3 If the player elects a hearing or if the offence is more serious than LEVEL 1, the Championship Referee shall convene a hearing of the Disputes and Disciplinary Committee. It will be held as soon as possible and before play the next day, with all parties given the opportunity to be heard. The reported player will be ineligible to play until such time as the hearing is determined.

After determination of the dispute/protest/report, and penalty if any, the CR shall advise the relevant player(s) and/or team management(s), the Chairperson of the Organising Committee, the Playing Group Chair and the CAM Secretary of the result of the hearing.

16 GENERAL

16.1 Promotion of Host Region

A kit containing information regarding the local area facilities, entertainment, food, tourist attractions etc. for distribution to the players/partners and officials may be worth considering. The local tourist authority may be able to supply these.

16.2 Pre-Championship Briefing

A pre-Championship briefing will be arranged at a suitable venue for the first day/evening of the Championship. The Playing Group Chair, Organising Committee Member(s), Team Captains and Managers, the Championship Referee, Umpires and Scorers will attend the meeting. The purpose of the briefing is to ensure that all concerned have a thorough knowledge of the rules and playing conditions, and have the opportunity to ask any questions.

16.3 Insurance Cover

All participants at CAM National Championships are covered for personal injury by Cricket Australia's National Club Risk Protection Program (NCRPP) via Marsh.

Organising Committees are urged to familiarise themselves with this program <https://play.cricket.com.au/community/resources/national-club-risk-protection-program> and pay particular attention to the Match Day Checklist information at that link, and in clause 8.2 of this document.

16.4 Pre-Championship Bulletins and Newsletters

The Host State/Organising Committee will keep the CAM Board (Bulletins) and participating members (Newsletters) informed of Championship organisational matters through the periodic circulation of Bulletins and Newsletters. Usually, around 4-5 Bulletins and Newsletters should be provided during the period from the appointment of the Organising Committee to commencement of the Championship.

See Appendix G for information on appropriate information to include, a distribution list, and a suggested timeline to publish and disseminate.

16.5 Official Championship Scorebooks

The Organising Committee will provide scorebooks for all matches. Electronic scoring alongside is expected, although it is understood that technical difficulties may mean that scoresheets are entered into Play HQ after the match.

Scorers will be required to maintain an up-to-date hard copy scorebook at all times. Copies of original scoresheets must be made available for the official match recorders.

Refer to the current CAM Playing Conditions and to the official Championship Handbook for scoring requirements and submission of Results. (Refer to Appendix D for PlayHQ requirements).

16.6 Playing Shirts - Logo Placement

The following logos may be produced on all State/Territory/invited team playing shirts. Logos may be no greater than 64cm² (as per ICC guidelines):

- CA logo, CAM logo, State/Association logo & sponsor if appropriate
- These logos must appear in one (1) of the following four (4) positions - Left breast, Right breast, Left sleeve or Right sleeve
- Teams may use the remaining position as advertising space provided the logo does not exceed 64cm²
- Apparel labels are exempt from these guidelines
- Player numbers on the back of playing shirts are encouraged but not compulsory

17 FINANCIAL MANAGEMENT

17.1 Financial Management Practices

Successful management of National Championships must include sound Financial Management practices. From the outset, and as identified in Section 1, the Organising Committee must formulate a Budget for the event as one of its key tasks and this must be submitted to, reviewed and endorsed by

the Board of CAM (Treasurer), using the CAM National Championships Finance spreadsheet (Budget side) as detailed in Appendix A.

In accordance with the CAM Constitution, a Final Actual Summary, using the Actuals Reporting Tool section of the above spreadsheet must be provided to the CAM Board when they are finalised after the Championships, preferably with the official Championship Report within 3 months, or if not available then, no later than 6 months after the Championship completion.

Organising Committees (on behalf of the Host State) are permitted to include a reasonable Contingency amount in their budget, whilst keeping the cost to players as low as possible. A Contingency is permitted to be included in the Player Levy however any significant operating surplus is to be gained via sponsorship.

17.2 Invoicing

CAM permits the organisers to invoice participating members and teams as follows:

- **Team Nomination Fee** usually payable 6 – 8 months prior to the Championships. The CAM recommendation is that the Team Nomination fee be minimal, but sufficient to ensure commitment. \$250.00 per team is the recommended fee.
- An individual **Player Levy** to include the cost of cricket is to be collected by each State/Territory/invited team Treasurer and is payable into the nominated account of the Host State. If held, a Meet and Greet or Welcome Event is **free** at O60s, O65s, O70s and O75s Championships, and the Player Levy may not include a fee for this Function.
- The Player Levy may include a fee for the Presentation Event although it is preferred that payment for this event is on an opt in basis.
- The Player Levy may **not** include a fee for a Championship Shirt, although these may be offered for purchase separately.
- The Player Levy account must be settled by the participating State/Territory/invited team to the satisfaction of the Organising Committee one month prior to the staging of the Championships.
- National Championships encourage the attendance of partners and Host States/Territories must ensure that partners are catered for at all functions.

APPENDIX A – STANDARD FINANCIAL STATEMENT (AND BUDGET) FOR CHAMPIONSHIPS

The following spreadsheet (example picture below) is available as an excel document for Organising Committees and their Treasurers to use to work up a budget to present to the CAM Treasurer for review and endorsement, at least 3 months in advance of the Championships.

It is also the preferred method to use to prepare a Final Actual Summary to present to CAM. This should be a part of the formal report of the Championships which is presented to CAM within 3 months of the Championships ending. If not finalised by then, a Final Actual Summary may be submitted separately within 6 months after the Championships.
