NATIONAL CLUB RISK PROTECTION PROGRAM

The Cricket Australia National Club Risk Protection Program is a joint initiative of Cricket Australia, and its State Bodies, and has seen a number of benefits provided to cricket associations, clubs and players throughout Australia.

It is designed to save associations and clubs time, effort and money and provide enhanced cover and services for the cricket community, which includes Masters Cricket.

The three areas of insurance that the NCRPP covers are Public Liability Insurance, Club Management Liability Insurance and Personal Injury Cover.

All information, including gameday checklists, extra cover available, forms to complete etc. are provided at this link, via the Marsh Advantage Insurance website at Cricket Australia's page.
