ALUMINUM PRIVACY PANELS

Exploded View

36" Privacy Panel System

Why PrivacyPlus+?

- **Zero Rot, Zero Warping**
Aluminum construction that won't rot, warp or decay over time
- **Zero Maintenance**
No painting, staining, or sealing required - ever.
- **Hardware Sold Separately**
Sold separately - gates include hinges, latch & closer
- **Custom Configurations**
Fits decks, patios, pergolas, docks, and more
- **Fast Professional Install**
Modular systems - your contractor can install in hours, not days
Fasteners: 1/4" x 2-3/4" Tapcon screws (posts on concrete)
GRK #10 x 3-1/8" outdoor screws (panels on 4x4 / 6x6 wood posts)
