PURE

PURE The timeless and sophisticated look of white and black tile. To say that this porcelain floor tile is understated would be misleading. The glazed polished product gives a crisp and elevated feel, while the matte takes on a casual, yet contemporary vibe. With a variety of sizes, including large format, this collection is especially desirable for commercial projects.

THE DETAILS:

- Porcelain Floor Tiles in 12" x 12", 12" x 24" and 24" x 48"
- Bright white and true black colorways

STYLE IT:

- Use the black and white together in a checkered pattern for entryways or utility spaces
- Combine the glazed polished and matte finishes together for a seamless floor-to-wall transition
