Dear Valued Member,

This year we’re honored to celebrate 93 years of service to our community as the oldest and largest Hispanic Chamber in the country. Through a proven history of leadership, community, culture, and advancements, our Chamber’s future is looking brighter than ever thanks to your commitment as a chamber member.

This past year, we harnessed the Power of Our Community, focusing our efforts on COVID relief resources for member, providing relevant programs and virtual events, as well as maintaining our Chamber Familia’s sense of community. 2021, with its challenges and opportunities, brought our members closer as we continued to navigate the effects of the pandemic.

This year, we boast a dynamic Board of Directors who are ready to serve and share our collective passion for moving our community forward. Through our chosen theme, Accelerate San Antonio Business, we are excited to get back to business and produce many of our signature events that have been on hold these past couple of years. You can look forward to our 93rd Annual Gala this May, as well as our golf tournament, small business summit, CORE4STEM program, and women’s leadership awards, just to name a few.

We invite you to stay engaged, share your ideas, be a part of our mission and help us accelerate our city with the shared focus of supporting our local small business community. We also invite you to participate in our leadership programs, monthly networking opportunities, and trade mission this fall the Panama and Colombia. Together, we will Accelerate San Antonio!

Thank you for your membership and important role as part of our Chamber Familia. We look forward to our continued success together!

Marina Gonzales, J.D.  
SAHCC President & CEO

Denise Hernandez  
SAHCC Chairwoman
Owner of The Eatery Culinary Group, The Fruteria y Botanero, M-Pressed Laundry Services and Vice President of Development for True Flavors Catering
“The San Antonio Hispanic Chamber of Commerce mission is to be the leading resource, advocate, and access point for Hispanic businesses, Hispanics in business, and the Hispanic market.”

About Us

Founded in 1929, America’s first Hispanic Chamber and San Antonio’s only Five-Star accredited organization by the U.S. Chamber of Commerce, the San Antonio Hispanic Chamber of Commerce continues to be the leader in business assistance, connecting its members to needed resources, providing procurement, marketing and networking opportunities, advocating for legislation affecting small businesses and corporations in the San Antonio metropolitan area, and better training to develop the skills of our local workforce. The San Antonio Hispanic Chamber of Commerce is San Antonio’s largest independent business organization representing countless members in our local community.

In 2021, the Power of Our Community represented a combination of ideas, passion, and innovation that exists when we all come together to rebuild and set the foundation for an even greater future. The Pandemic changed a lot of mindsets and traditions, but it also taught us how to listen to each other and stay connected amidst an uncertain future.

2021 Highlights:

MEMBERSHIP

The San Antonio Hispanic Chamber of Commerce Launches 2021 Bexar County Grant Supporting those most affected by the Pandemic

After engaging with our Members, and those who expressed concern at their upcoming renewal with our Chamber, the SAHCC made the decision to provide sponsored membership to 107 small businesses who were most affected by pandemic. These sponsored industries included Restaurants, Tourism, Education, Hospitality, and Non-Profit Organizations.

ADVOCACY

SAHCC’s Top 3 Legislative Victories this Session

SB 678:
The coronavirus pandemic put a heavy strain on many Texan businesses, and even caused some to close their doors. Federal financial relief programs were delayed in their roll out and quickly exhausted due to high demand and limited supply. SB 678 addresses these shortcomings by generating a small business disaster recovery loan program for the state of Texas. SB 678 will produce a fund which provides financial assistance (in the form of loans) to small businesses affected by a disaster. The bill instructs the comptroller to “implement an application, rules, and guidelines governing the fund, program, and loans made to small businesses through the program.” Senate Bill 678 was authored by Senator Alvarado and was signed into law on June 16, 2021; the bill will become effective on September 1, 2021.

HB 1195:
In response to COVID-19, Congress established the Paycheck Protection Program through the CARES Act to support small businesses. However, concerns by business owners began to grow with questions concerning whether the loans provided to them by the Paycheck Protection Program would be subject to franchise taxes. The passing of House Bill 1195 provided small businesses with the reassurance they needed. Authored by Representatives Geren, Goldman, Frullo, Meyer, and Bonnen, House Bill 1195 ensures loans distributed under the Paycheck Protection Program would be offered forgiveness for franchise tax purposes. Thus, protecting small businesses from an unexpected tax increase. House Bill 1195 supports the livelihood of small businesses. The San Antonio Hispanic Chamber of Commerce was elated by the advancement of H.B. 1195 and proud to show support. House Bill 1195 passed in both chambers and was signed into law by the Governor on May 11th, 2021.

HB 3271:
This bill will create a Micro Business Capital Access Program to increase access to capital for businesses with fewer than 20 employees. The Micro Business Capital Access Program will create a state revolving loan fund in collaboration with Community Development Financial Institutions (CDFI) to issue low interest loans to micro-businesses. The creation of this micro-business capital access program will continue strengthening micro businesses in San Antonio and across Texas. In San Antonio, there is an unmet annual demand of about $8.3 billion in capital for small businesses, this bill will help close this gap.
Thank You

Complementary registration for the SAHCC members only.
The mission of the Hispanic Leadership Development Foundation 501(c)3 is to remove barriers of past discrimination in the San Antonio workforce and fill a void in the San Antonio community by providing a number of accessible and affordable activities, which are designed to target small, minority and women owned businesses and minority youth, who require education and support to become leaders in the San Antonio community. The Foundation also educates participants on policy issues affecting the civic and economic well-being of the community and create a larger pool of knowledgeable, skilled and active leaders.

SAHCC Latina Leadership Institute Receives $20,000 Scholarship Grant from Boeing for Future Program Participants

Boeing, the world’s largest aerospace company and provider of nearly 600 businesses in Texas, announced they will be donating $20,000 to San Antonio Hispanic Chamber of Commerce’s (SAHCC) Latina Leadership Institute (LLI).

When it comes to Latinas in leadership positions in our nation, history has shown its fair share of disproportionate numbers. Latinas have made up slightly more than one percent of Congress and one percent of State Legislators. These low numbers demonstrate why programs like LLI are so important.

Boeing’s advocacy for community diversity through this grant will help create additional leadership opportunities for more Latinas in San Antonio, and in turn, set the stage to create a national impact.

“Mobilizing people from diverse backgrounds and genders will help ensure more perspectives are included in the political process,” said Tyler Schroeder, the Senior Manager of Boeing National Strategy & Engagement. “The San Antonio Hispanic Chamber’s Latina Leadership Institute does exactly this by providing training that is tailored to helping each Hispanic woman cultivate skills to successfully participate in civic engagement. Boeing’s $20,000 contribution to the San Antonio Hispanic Chamber of Commerce will help foster more inclusion in politics.”

The SAHCC is proud to be awarded this opportunity from Boeing, marking a long-standing relationship in community engagement with their Members.

“This partnership will open many doors for future Latina Leaders, ensuring the opportunity to learn necessary skills and confidence to pursue leadership roles through career opportunities and civic engagement,” said Marina Gonzales, SAHCC President & CEO. “We look forward to welcoming and congratulating Latina Leadership Institute Boeing scholarship recipients over the next 5 years.”

The Boeing Scholarship will be distributed starting in 2022 for selected incoming Latinas who are accepted to participate in the Program.
Due to the Pandemic, in 2021 we launched our first ever virtual CORE4 STEM experience, partnering with industry leaders to participate in a free socially distant hands on week at the Witte, followed by a series of interactive videos. 7th and 8th grade students had the opportunity to engage, learn, and enter to win amazing raffle prizes.
