## United Kingdom Timber Regulations (UKTR)

We can confirm that Specialised Panel Products Ltd. complies with all relevant requirements of the UKTR. As a trader, we maintain records of who we buy from and who we sell to. This information would be made available to any audit body if ever requested.

We are committed to responsible timber sourcing and hold both FSC and PEFC Chain of Custody certification, for which we are regularly audited.

We have selected our suppliers carefully and the companies we purchase from are also committed to responsible and sustainable timber trade. We have conducted due diligence upon our supply chain thereby conforming to the requirements of the UKTR.
