Bulletin Announcement:

IMPORTANT NOTICE TO PARISHIONERS

The Diocese of Cheyenne is renewing its warning regarding **Jennie Spin**, who was the subject of a diocesan notice issued on November 12, 2018. At that time, parishes were advised that she had presented herself to parishioners in various parts of Wyoming as "Sister Jennie Spin," wearing a religious habit. She is not a Religious Sister but a married woman, and she has no authorization to minister within the Diocese of Cheyenne.

Recent information has raised serious concerns regarding possible financial exploitation and undue influence involving Jennie Spin. The Diocese is working to better understand the extent of these concerns and to protect individuals who may have been affected.

If you have given money or other financial assistance to Jennie Spin, are currently providing assistance, or have had or continue to have communication with her, please contact:

Tammy Skala
Executive Director of Human Resources
Diocese of Cheyenne

Email: tskala@dcwy.org
Phone: 307-638-1530, ext. 1010

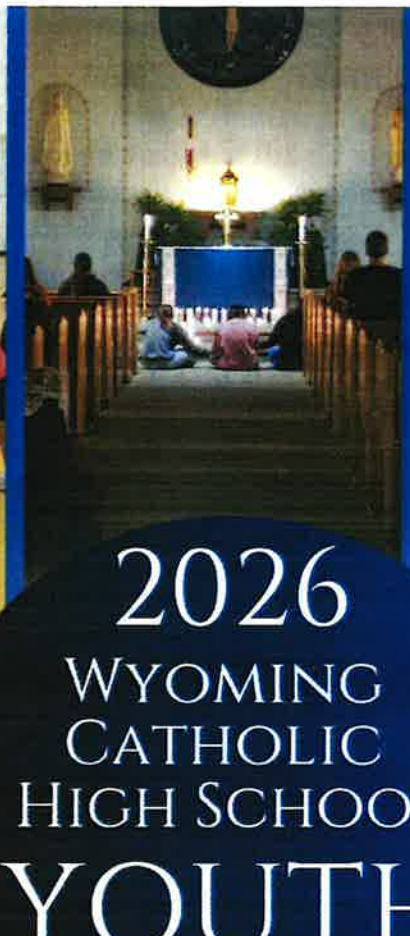

Please do not assume that your information is unimportant, even if the contact occurred years ago or the amount involved was small. All information may be helpful in understanding the situation. If you have been in contact with her or provided financial assistance, we encourage you to reach out confidentially. You will be treated with respect and compassion.

Our priority is to protect the faithful, prevent further harm, and ensure that concerns are appropriately addressed. Thank you for your cooperation and discretion as the Diocese works through this serious matter.

November 12, 2018

Recently it has come to Bishop Steven's attention that a woman, Jennie Spin, has been presenting herself to parishioners in various parts of the state as Sister Jennie Spin, a Third Order Religious, wearing a full habit. Religious who are working in the diocese are to have a written agreement between the diocesan bishop and their religious superior detailing the works the religious is undertaking and various aspects associated with it. There is no such agreement. Therefore, she cannot be allowed to minister within the Diocese of Cheyenne. Please allow this to serve as an alert to all parishes and missions within the diocese.
