

**\$5 MILLION**

In 2017, the Diocese of Cheyenne took a bold step by acquiring the 2020 Capitol Avenue building, ensuring a brighter future for our parishes and Catholic Charities of Wyoming (CCWyo).

Our current Chancery Office faces significant challenges, including urgent repairs and inadequate space for staff. CCWyo currently operates from temporary space within the Chancery, limiting its ability to serve the community effectively.

Renovating the 2020 Capitol Avenue building will cost \$5 million and provide the necessary facilities for the Chancery and CCWyo for decades to come. The *Communion for Mission* campaign aims to raise this vital funding to modernize our infrastructure and better serve the People of God across Wyoming.
