DIACONATE, LAY LEADERSHIP, AND ADULT FAITH FORMATION

\$3 MILLION

Deacons play a vital role in our parishes, assisting the bishop and priests in ministries of the word, altar, and charity. The Diocese of Cheyenne is blessed with dedicated deacons who enrich our communities.

The *Communion for Mission* campaign seeks to raise \$3 million to fund the formation of deacons and lay leaders, including a full-time position for their ongoing training.

With Vision 2030, we are committed to developing professional lay ministers and enhancing adult faith formation. This initiative fosters spiritual growth, active participation in liturgy, and community engagement, ensuring the integration of our vibrant Hispanic ministry.
