## Board / CFO / International Business Leadership

Isle of Man / Estonia / International

---

### VALUE PROPOSITION

International finance and business executive combining CFO leadership, board governance, stakeholder engagement and international growth experience across Europe, Asia and North America.

### EXECUTIVE PROFILE

International finance and business executive with more than 20 years of leadership experience across multinational corporations, growth-stage businesses, government institutions and board environments. Known for partnering with founders, boards, investors and executive teams to drive growth, transformation, governance and organisational performance. Experience includes Mars Incorporated Asia Pacific leadership, CFO responsibility for investor-backed businesses, international representation for the Government of Estonia and Non-Executive Director oversight.

### SELECTED LEADERSHIP HIGHLIGHTS

- Led finance, governance and investor stewardship for a growth-stage US business, including oversight and reporting of USD 5M+ investor capital.
- Established Mars Drinks International's Singapore regional hub supporting expansion across Asia.
- Led governance and planning for a business with ambitions to scale from USD 2M to USD 100M+.
- Responsibility for a USD 12M+ Japan business and supported a EUR 33M+ Baltic operation.
- Selected into a global finance leadership and succession-planning team within Mars.
- Represented Estonia at UNICEF and the Global Partnership for Education.
- Delivered Estonia's formal statement at the UNICEF Executive Board in New York.
- Current Non-Executive Director providing governance and strategic oversight.
