Structure Fires	3
Grass Fires	1
Vehicle Accident	1
Boat Rescues	2
Veh Fuel Leak	1
CO2 Alarm	1
Snake in House	1
Total Calls	20

Jerry and Susann Arias joined the department as a firefighter and rehab member we are very happy to welcome them. John and Steph Hapka left White Bluff and moved back to Wisconsin.

Keith O'Donnell has been promoted to Captain over supply. We were advised our Brush truck 331 which had been in the shop for upgrades will be returned to service in June.

The WBVFD Board will receive a briefing on the proposed plan to swap property with the POA and begin the process of designing and financing a new fire station.

All trucks and the boat are in service and available for emergency response.
