

GTA England Charter 2021

Our vision is to work collaboratively as Group Training Associations to provide employers with outstanding, world-class, training and apprentices. To that end, every member of GTA England commits to:

1. Develop and share best practice to provide added value

2. Strive to provide a high quality, flexible, cost effective and responsive service

3. Provide expert advice on all aspects of training

4. Ensure that learners receive the highest standards of training and personal care

5. Fully meet all the requirements of Standards but also go further

6. Ensure that all learners receive fair pay, appropriate mentoring, expert support

7. Strive to achieve results in the top quartile nationwide

8. To achieve grade 2 at OFSTED inspection and aspire to be outstanding

9. Encourage staff to pursue their own professional development

10. Maintain and enhance the reputation of GTA England as a critical friend to government; providing a voice for members

We agree to commit, provide, and participate in the above Charter principles and activities
