COMMUNITY RESOURCES GUIDE

Notes:

Founded in 1833, the Society of St. Vincent de Paul is a worldwide organization of lay Catholics who follow Christ's call to serve those in need so they can achieve stability and move toward self-sufficiency.

Because needs in our community have increased, we provide support through phone calls, home visits, and/or by meeting our neighbors in need at our food pantry. We help with rent, utilities, food, or clothing, and we also offer friendship, understanding, and prayer.

Guidelines to Follow During Times of Financial Struggles

PLAN

- Communicate with creditors, landlords, schools, and employers
- Prioritize the expenses you have
- Plan and budget for what is ahead

It may seem overwhelming and feel impossible. A plan empowers you to take control and move toward stability.

COMMUNICATE

Withdrawal is a common response to a crisis. The most important thing you can do to prevent homelessness is to communicate with the agencies that can help. Talk to your landlord, utility providers, credit card providers, schools and employers. Discuss your work options, payments, and needs with them. DO NOT allow withdrawal, fear, or denial to guide your choices. Empower yourself to seek help and put a plan in place from the resources available.

PRIORITIZE

In practice, your priority in crisis is to MAINTAIN HOUSING. Prioritize rent above other bills. Rent is the hardest and most expensive resource to receive help with. Places can help with food, utilities, childcare, and transportation. Very few places can help you pay your rent. After housing, pay whatever you can, however small, toward utilities to maintain a payment record. COMMUNICATE with your creditors about payments. This may feel awkward and uncomfortable, but creditors know about crisis situations and can often help.

Prioritize your monthly spending as follows:

- **Rent**
- Utilities
- Transportation
- Food

Food is last because you may be able to apply for food stamps AND you can take advantage of food pantries in the area. Food assistance is available; rent assistance is scarce.
