

Cloud Watching

1. What shapes or animals do you see in the clouds?
2. If that cloud were a creature, what would it be doing?
3. Do the clouds today match your mood? Why or why not?
4. How fast do you think the clouds are moving?
5. If you could ride on one of the clouds, where would you go?
6. What kind of story could you write about the cloud shapes today?
7. Do the clouds remind you of a memory or dream?
8. What do you think the sky would say if it could talk?
9. Can you find a cloud that looks like something you've never seen before?
10. What would the world look like from above the clouds?
