

Star Gazing

1. If you could name a star, what would you call it?
2. What do you think is out there beyond the stars?
3. Can you find any constellations? What stories do they tell?
4. Do the stars make you feel small, big, or connected?
5. What wish would you make on a shooting star?
6. If you could visit another planet, which one and why?
7. Which star do you think is the oldest?
8. Do you believe in life on other planets? Why or why not?
9. What do the stars make you wonder about life?
10. If tonight's sky was a message just for you, what would it say?
