

## Regarding Pathfinder Fair, May 15-17, 2026

Hello Pastor,

You are receiving this brief letter of invitation to support our conference youth by attending the Pathfinder Fair, May 15-17.

This event will be held on the Upper Columbia Academy campus.

The weekend is a time to celebrate all that has been accomplished throughout the year in the local church Pathfinder clubs. This includes (but is not limited to) an honor, craft and community service display, an awards program and team drill and marching. In addition to what we do every year at the fair, this year the clubs are also building soapbox derby cars to race on Sunday morning of the event.

This is a very full, fun weekend with around 450 young people and their adult staff support.

Our local clubs have been encouraged this year to make a personal invitation to you - their pastors - to attend the Fair and participate in celebrating this weekend together. If you are willing to come and camp with your Pathfinder club, you will get the opportunity of connecting (and eating!) with this vital segment of our church!

If you have any questions, or if I can be a resource to you or your young people, let me know.

We hope to see you at our Pathfinder Fair!

Blessings,

A handwritten signature in black ink that reads "Ryan Whitehead".
