One Miracle After Another

Greg Budd

Pavel Goia knew when he was 5 years old that God had called him to speak for Him. Yet by the time Pavel reached his teens, having a good time with friends was far more important to him than his family's religion. And communist Romania wasn't exactly friendly to Christians.

But God got his attention one fateful night, and his life took that proverbial U-turn. Pavel made a covenant with God, and his dedication to that covenant was tested almost immediately. But he stayed true, and miracle after miracle followed in behalf of this one young man who trusted every aspect of his life completely to God. **\$16.99 – SALE \$13.99**
