

**Welcome!**

If you're seeing this file, that means the download button on your website is working correctly.

This is a sample PDF placeholder used to verify functionality.

What This Means:

- The button successfully triggered a file download
- The file was linked properly
- You're now ready to upload your actual file.

To Replace This File with Your Own:

- Right-click the Download button on your website builder
- Select "Edit Design" or "Edit Content"
- Go to the Content tab
- Look for the section labeled File for Download
- Upload your file
- Preview your site to test again!
