A MESSAGE FROM

Pastor Bob

Summer camps are memorable moments in the lives of children and teenagers. Getting away from the routine, the noise and the pressures of everyday life can be very so formative to their faith. Students make life changing, eternity altering decisions at camp.

Our Middle School students will be returning from the Lake Lavon Baptist Encampment by the time you receive this publication. Last year was our first time at Lake Lavon and the students loved it. I got to be there to see the great things God was doing in the lives of these students.

Kids Camp is going to be special this year. We are taking over Camp Chaparral. And while it isn't that far away, when we get them in that special environment without their phones, they will feel a world away. It is also a great introduction to camp for some of our youngest campers. Kid's camp is June 29-July 2.

High School Camp returns to the Beach in Panama City Beach, Florida. I saw a powerful move of God last year among our students. It was incredible. I believe we will see a similar move this year. High School camp is scheduled for July 5 through July 10. We have a few spots left for this camp.

Our camps need your support. Send your student to camp. Of course, we always need scholarships for students who really want and need to go but affordability is a real issue. So, if you don't have a student, we could always use your financial support. And Pray for God to do a special, unique work in the lives of our students.

Bob McCartney
Senior Pastor
