

SUPPORT & HELP

Find answers, explore assistance and connect with the right person.

ALL SPORTS | ALL LOCATIONS

01 **Registration & Account Help**
Checkout questions, missing confirmations and corrections.

02 **Teams & Schedules**
Find team invitations, coach updates and official schedules.

03 **Financial Assistance**
Explore Every Kid Sports and the NFL FLAG FUND.

04 **Policies & Safety**
Open conduct, participation, refund and injury policies.

05 **Report a Concern**
Know whom to contact and keep sensitive information private.

06 **Contact Just Compete**
Email 365@justcompete.org for help finding the right contact.

For faster help: Include the athlete name, sport, location, season and a short description. For a technical issue, include a screenshot without payment card details. Use the coordinator listed in your program communications for location specific questions.

Immediate danger or a serious medical emergency: call 911.
Routine league messages are not an emergency response service.

Registration & account questions

Check your registration account, confirmation email and spam folder before submitting another payment. Contact your coordinator about missing confirmations, duplicate charges, corrections or a requested program change. Check the actual age and division requirements for your selected program.

Team assignments, schedules & equipment

Watch the email used for registration and your program's official TeamSnap communications. Registration confirmation and team assignment may arrive separately. Ask your coordinator about missing invitations or equipment pickup. Follow official program notices for schedule and weather changes.

Financial assistance & scholarships

Every Kid Sports offers up to \$150 for eligible recreational sports; funding and application windows vary. The NFL FLAG FUND is specific to qualifying NFL FLAG participants. Read each application before paying: both resources state that they cannot reimburse fees already paid. Each has its own eligibility and approval process.

Reporting a concern

Contact your site director or program coordinator with the facts. If that person is involved, contact another member of leadership. Keep information about minors private. Good faith reporting should not lead to retaliation. Internal reporting does not prevent contacting appropriate outside authorities.
