

PUMPKIN CLASSES

Under The Gaffer's continuing inspirational leadership, the changes made last year in relation to determining the 'winners' and 'highly-commended' entries in the Pumpkin Classes will be repeated. Once again, we hope this heightened excitement will not be too much to bear.

ALL pumpkins (other than Decorated) will be automatically entered for all classes – WEIGHT, GIRTH, HEIGHT, FETTLER, COLOUR & ROUNDNESS (but pumpkins must have a diameter of at least 22 centimetres to be considered for the Fettler and Roundness Classes).

The winner in each class (determined in the order stated above) will then be knocked out of the remaining classes (but still be eligible for consideration as Best in Show or Reserve).

Decisions on 'Highly Commended' will then be at the Judge's discretion but no pumpkin will be awarded 'Highly Commended' in more than one class.

The Gaffer's decision on any queries regarding the interpretation of this approach or the qualifying size of any pumpkin will be final but he remains open to bribery as usual.
