President's Welcome

It is a real privilege for me as President of the Stilwell Kiwanis Club to welcome you to our 38th annual Strawberry Festival. It is hard to believe 38 years ago on the House floor of the State Legislature, W. H. Langley, our representative, designated Stilwell, Oklahoma, as the Strawberry Capital of the world.

Since then our Strawberry Festival has grown to become one of the largest events in Oklahoma, attended by thousands of people. I am confident you and your family will enjoy this year's festivities. The festivities will include a large parade, the crowning of the Festival Queen, a VIP luncheon, lots of country and bluegrass music and gospel music, a strawberry auction, a carnival, Indian Pow-Wow and an IRA Rodeo. Of course, we should not forget the free strawberries and shortcake.

I would like to thank you at this time for participating in this year's Festival. It is an honor for the members of the Kiwanis Club to sponsor this event. We have very few members to put on such a large endeavor. We could not do this without the cooperation of the local strawberry growers, the Stilwell business people, the Stilwell City Council, the Ad-Co Kiwanis Club, the citizens of Adair County and, of course, you, our guests. I hope you and your families will come back to Stilwell many times throughout the year.

Sincerely,
Bobby Ray,
President,
Stilwell Kiwanis Club

DEDICATION

This 1985 edition of the Strawberry Festival Booklet is dedicated to H.D. Gound, the only two-term president in the history of the Stilwell Kiwanis Club who was a member of the local club for more than 25 years before recently moving to Oklahoma City.

Huge Crowds in '84

Ideal weather prevailed all day for the 37th annual Strawberry Festival which attracted huge crowds for a wide variety of events.

The weather was in sharp contrast with 1983 when light rain most of the day reduced the turnout to about 10,000.

There's no way to scientifically figure the number of people who turned out for the Festival, but estimates ranged all the way up to 30,000. Dean Jackson, president of the Stilwell Kiwanis Club which sponsors the Festival, made that estimate.

The famous Strawberry Festival parade lasted 80 minutes and included an estimated 100 units—from marching bands to beautiful girls, colorful floats,

Club Sponsors Festival

The Stilwell Kiwanis Club, which has sponsored the Strawberry Festival ever since its inception, has had an unbroken tradition of community service since it was chartered 39 years ago.

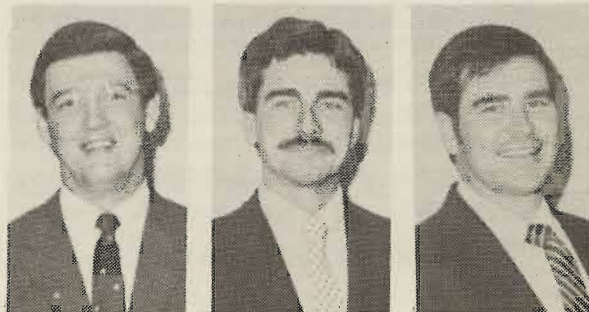

Under the motto of "We Serve," the Stilwell Kiwanis Club sponsors such diversified activities as the Boy Scouts, the annual Strawberry Festival, and the summer baseball program for area boys and girls.

Club members participate in fund raising activities such as "Pancake Day" which is traditionally held the morning of the first day of deer season.

The Strawberry Festival dates back to 1948 when the Stilwell Kiwanis Club decided to do something about stimulating interest in one of Adair County's major economic resources.

The strawberry crop that year was valued at about \$750,000 and was described as "the biggest berry harvest the area has ever experienced."

The luscious strawberry is not Adair County's big-

gest crop—but is by far the most glamorous.

The strawberry season is relatively short, starting early in May and ending about June 1—but it's long enough for everyone to get his or her share.

Crates of strawberries sell especially fast on Strawberry Festival Day, so those wishing to buy are reminded to get their share as early in the day as possible.

Growers will be in Stilwell on Festival Day to sell berries near the band stand where much of the action takes place.

Hundreds of people, including migrant workers, students and housewives, jump in each year to help harvest the strawberry crop.

A good picker can pick about 100 quart boxes in a six-hour day. A few years ago, 73 pickers picked 250 crates from 2½ acres for one of the best days on record anywhere in the county.

Local strawberry growers like the Cardinal variety best. Other popular varieties include Sunrise and Early Glo.

The experienced pickers use a variety of positions. Some stoop, others squat, kneel or sit. Those who sit say they remain seated and scoot from one plant to the next.

The crop is sold at Stilwell area markets and to retail outlets in Tulsa, Muskogee, Fort Smith, Ark., and other cities.

Many people from miles around drive to Stilwell each May to buy berries to take home for themselves, neighbors and relatives.

*A tradition of education:
from elementary to high school to college. . .*

Since 1902 this site has been in continuous use as a school. The main part of the current structure was built to house the Stilwell High School in 1908, with additions in 1914, 1921, 1940 (a WPA project) and 1947. For a time during the 40's, the building also housed the elementary school.

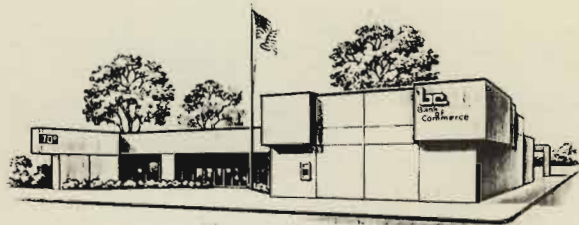

The new Stilwell High School opened in 1980 and FRU began the negotiations and fund-raising necessary to purchase the old building.

In January 1981, the J.E. and L.E. Mabee Foundation awarded FRU \$300,000 to purchase and begin renovation. By February, FRU was at home in the new Mabee Educational Building and the tradition of education on this historic site continues.

Flaming Rainbow's Mabee Campus currently houses classrooms, administrative offices, a computer center, microcomputer labs, library facilities and a gym used by the college and the community for athletic and special events.

A capital campaign is on-going at the college to complete renovation of the facilities by 1986.

FRU is an equal opportunity/affirmative action institution.
