

72nd Annual

Strawberry Festival

MAY 11, 2019

Sydney Ritter

Sponsored by Stilwell Kiwanis

On behalf of the Texas/Oklahoma District of Kiwanis International, welcome to the 72nd annual Stilwell Strawberry Festival. Created by the Stilwell Kiwanis club in 1948 as a way of promoting local agriculture, the Festival has grown to become one of Oklahoma's premiere outdoor family-friendly events. It has twice been voted Oklahoma's best festival and was selected as one of the top ten signature projects by a Kiwanis Club in an international competition two years ago. Whether it be the 5K run, the parade, the carnival, the live music, the arts and crafts and food vendors, the car show, the championship berry auction, the free strawberries and ice cream, the rodeo or the pow-wow, there is truly something for everyone. Kiwanis is a global organization dedicated to changing the world, one child and one community at a time, and the Festival is a wonderful example of how we do it. The funds raised will go towards funding children and youth programs all year long. So bring the children or grandchildren and enjoy a full day of family fun and fellowship.

Yours in Service,
Ralph Keen, Governor
Texas/Oklahoma
District of Kiwanis International

Welcome, from the Stilwell Kiwanis Club, to the 72nd annual Stilwell Strawberry Festival. Since 1948, Kiwanis Club members have celebrated the fact that the sweetest strawberries you can imagine are grown in our area. Each year the growers compete for the coveted blue ribbon to be placed on their prize berries.

Early festivals were pretty simple, but Kiwanis members have worked diligently to grow the festival and make each year better than the last. The festival now features live musical entertainment, a lengthy parade, four days of carnival fun, a rodeo, car and motorcycle shows, vendor booths with a special section for arts and crafts, a hot link cook off, and much more, ending with free strawberries and ice cream.

We hope you will join us each year on the second Saturday in May and take advantage of the many fun features of the Stilwell Strawberry Festival.

What is Kiwanis? Kiwanis is a global organization of member-volunteers who are dedicated to changing the world, one child and one community at a time. As with Kiwanis International, the primary purpose of the Stilwell Kiwanis Club is to sponsor programs that benefit children in the community. The club also offers opportunities for members to be involved in civic activities that benefit the community while networking with other community leaders.

The Stilwell Kiwanis Club is proud to sponsor the BUG Program (bringing up grades). The program recognizes students who bring up at least one letter grade without letting any of their other grades drop. It also recognizes Super BUG's which are students who make all A's.

The program is currently running in seven Adair County Elementary Schools.

Other projects include: The Easter Egg Hunt, the Independence Day Fireworks Display, Read to Succeed (a Literacy Program that donates books to children at Trunk-O-Ween and the annual Easter Egg Hunt), a scholarship award to the Sophomore of the Year selected by the club, the Strawberry Queen Pageant during which young ladies are taught poise and interview skills and scholarships are awarded, Christmas caroling and gifts to the elderly at the Stilwell Nursing Home, and the purchase of lighting and benches for the Kiwanis Stage.

During the past year, the Stilwell Kiwanis Club contributed over \$31,000 in funds raised during the annual Strawberry Festival to assist with youth and community activities and programs. Contributions were made to: Adair County 4-H, Adair County Fair Board, Adair County Angel Tree, Shop with a Cop, ICTC Christmas for Foster Children, Green Country Dairy Goat Club, Jeremiah 29 Foundation, Kiwanis Children's Fund, Make a Wish Oklahoma, stipends to Festival Marching Bands, Stilwell Public Library, Westville Little League, Snack Pack Program, Food Pantry, ORCO Back

Kiwanis Sophomore of the Year

NATALIE ANN GACHES

Each year, the Stilwell Kiwanis Club selects, from a number of applicants, a Sophomore of the year. In addition to a scholarship from the local club, their application is submitted to the Texas Oklahoma District of Kiwanis to be considered for an additional scholarship. In applying during their Sophomore year, applicants become familiar with the scholarship process, as well as being encouraged to further their education beyond high school.

Natalie Ann Gaches is the daughter of Janene Gaches and Darrell Gaches. Natalie attended Peavine, Maryetta, and Zion Schools and graduated from Zion in 2017 as an honor student. She now attends Stilwell High School and is currently ranked fourth overall in her sophomore class.

Natalie is involved in many school activities, which include being a member of Key Club, Math and Science Club, and Art Club. Natalie has earned many hours of community service through the Cherokee Nation Community Leadership Program by working for her church, school, and other organizations.

Working as a mentor for Adair County Boys and Girls Club at the Maryetta School Unit, Natalie has learned the importance of working with fifth grade students, developing and encouraging qualities of cooperation and participation.

Natalie has a younger sister, Adrian, whom she argues with but loves to pester in return. She enjoys traveling with her family in the summer, going to the movies with family and friends, reading and collecting Elvis Presley memorabilia.

As a member of the First Christian Church in Stilwell, Natalie is an active member of the youth group. She helps with fund raisers for the church's numerous trips to Christ in Youth conferences each summer and regularly participates in VBS, the choir and other youth group activities.

Next year as a junior at Stilwell High School, Natalie plans to attend the Indian Capital Technology Center in Stilwell where she plans to take classes to build a foundation in pharmacy. After graduating high school, Natalie plans to pursue a Doctor of Pharmacy degree.

Your talent is God's gift to you. How you use it is your gift to God.

Kiwanis Key Club

As part of the Kiwanis family, Key Club International is the oldest and largest student-led service program for high school students. Its purpose is to build character through service and leadership. In partnership with their local Kiwanis club, students make a positive impact as they serve others in their schools and communities.

Stilwell High School Key Club members participate in a number of community events and projects throughout the year. This year members helped the local food pantry with stocking and packaging. Key Club students also partnered with Stilwell's Friends of the Library organization assisting with book sale fundraisers. SHS Key clubbers tripled their annual Trick or Treat for UNICEF donation, raising a total of \$450.00. Members also manned concessions at the Adair County Basketball Tournament, participated in the DHS Backpack program and helped out at the annual Stilwell Kiwanis Club Easter Egg Hunt.

2019 Strawberry Queen & Her Court

Queen

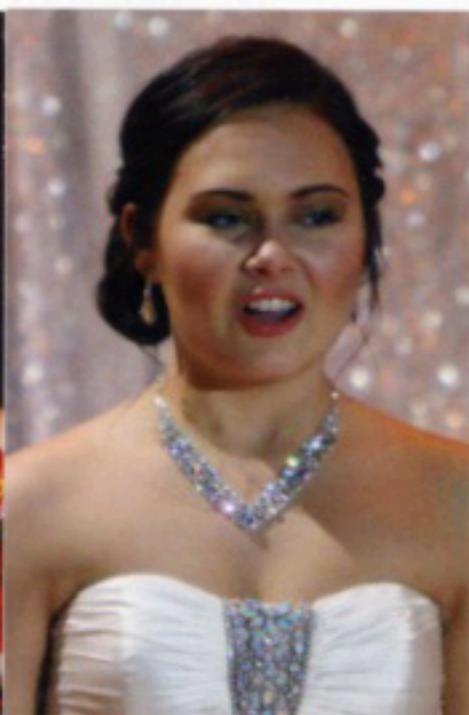

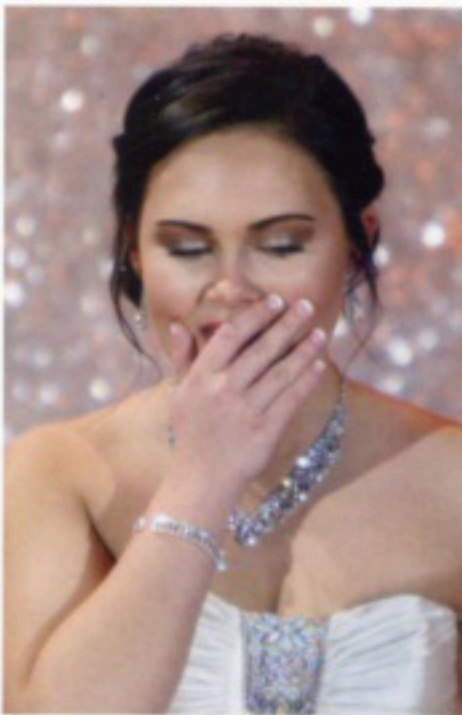

Miss Sydney Ritter

As Strawberry Festival Queen, I pledge to represent our community in a positive and honorable way. I am truly looking forward to serving in this role. I want to take this opportunity to thank my family and friends for being so supportive and loving throughout my life and this pageant experience. It was an honor working with Laura Lundberg and the Kiwanis club members who put all of their hard work and dedication into this pageant. I am very grateful for life skills I was taught throughout this pageant as well. I know this will be a great year filled with so much fun. I am ready to begin investing in making the most of each moment. It is a blessing to be chosen as the 2019 Strawberry Festival Queen!

Sydney Ritter is an 18 year old Senior at Stilwell High School. She is the daughter of Jason Ritter and Alisa Higgins.

2019 SHS OUTSTANDING ALUMNUS

Judy Gail Adair

Judy Gail Adair attended Stilwell Public School for twelve years. Judy graduated from Stilwell High School in 1964. Following graduation from high school, Judy enrolled at Northeastern State University in the fall of 1964. She knew she would be attending college without question because her parents valued education. Her parents worked hard so she could attend college. Her mother wanted her to be prepared to think and provide for herself. She studied to become a teacher by choice and because it was a family tradition.

Judy graduated with her Bachelors in Education in the spring of 1968. Judy was young and green when she began her teaching career in Arkansas. She taught second grade in Lincoln, Arkansas in 1968, starting with 35 children and ending the school year with 48. After a year of classroom teaching, she began teaching gifted education and did that for 22 years. Judy returned to college and received her Masters in Education degree in School Counseling in 1985 but never used it because of the love she had for her gifted education students. She continued teaching in the public school system for 30 years and loved every minute of it.

Judy attended Wilamette University from 1990 until 1992 and studied Talents Unlimited (a National Thinking Skills Model), in 1989 until 1995 she attended the University of Tulsa for a degree in Geology, Physics and Chemistry. She attended the University of Maryland in the summers of 1995 and 1996 to study Astronomy and in 2000-2001, Judy attended the University of Oklahoma/Columbia University's East Asia Institute and completed 40 contact hours of classroom instruction on Asian history and culture.

As a lifelong learner, Judy has tremendous drive to learn and has a passion for knowledge which is never-ending. Judy began working as an adjunct professor at Northeastern State University in 2005 and is presently the Intern Coordinator for the College of Education for the Clinic Education program.

Judy Gail Adair has many, many honors and awards to her name. She has so many it would have taken up more room than allowed but the Stilwell High School, Class of 1964 believed that Judy merited the selection of SHS Outstanding Alumni for 2019.

Judy resides in Broken Arrow, Oklahoma.

MAKING SENSE OF INVESTING

Stilwell Kansas City Southern Railway Depot

Built in 1915, the Stilwell Kansas City Southern Railway Depot served the community as a passenger and shipping terminal until its closure in 1971. Rehabilitated during the winter of 2003-2004, the iconic building now serves as the home of the Adair County Historical & Genealogical Association and the Stilwell Area Chamber of Commerce.

In 2015, the National Parks Service listed the Stilwell Depot on the National Register of Historic Places. The association offers historical and genealogical research services and operates the county's only history museum. Tours of the museum give visitors access to tangible artifacts that provide a deeper appreciation of the county's history. The Depot is open Monday through Friday, 10 am to 4 pm., and at other times by appointment. The large Depot waiting room is now utilized by various groups as a community meeting room. The Stilwell Area Chamber of Commerce meets at the Depot on the first Wednesday of each month at noon.

Wanda Watson Band

Very rarely will you find an entertainer whose style and charisma matches their talent or vice-versa. **Wanda Watson** delivers on both counts. Hard charging and aggressive on one song; tender and emotionally sincere on the next, **Wanda** makes every song her own. Any of her devoted fans will tell you her performances make every audience member feel that she is there for them and them alone.

In December 2004, 2006, & 2011 **Wanda** was voted "Best Vocalist" by the Blues Society of Tulsa; quite an honor considering the world-class level of talent Tulsa produces. In September 2005, **Wanda and her band** were voted "Best Blues Act" by Tulsa World's coveted SPOT Awards

(Oklahoma's version of the Grammy's). In February 2006, **Wanda** was inducted into the 1st Class of the "Old Town Musician's Hall of Fame" in Ft. Smith, AR. Also in February 2006, she was "Payne County Line Hall of Fame - Blues Artist Honoree for her life's accomplishments, and for being an integral part of Oklahoma's rich musical heritage." In May 2007, **Wanda** was inducted into the "Oklahoma Blues Hall of Fame" another deserved and noted accomplishment of **Wanda Watson's** musical endeavors. Most recently in June 2009, 2011, & 2012,

Wanda was nominated for **Urban Tulsa's (ABOT) Absolute Best Of Tulsa Blues/R&B** acts category. In 2012 (WWB) & 2013 (Duo) **Wanda & her players** represented Tulsa, OK & Fort Smith, AR; in the **International Blues Contest in Memphis, TN**, competing against well over 200 bands & duos from all over the world.

She is a definitive blues artist. In a city noted for its top-shelf musicians and singers, **Wanda** stands out as a true stylist. Whether putting her stamp on original songs or belting out time tested standards, **Wanda** is a consummate entertainer and crowd pleaser. No other singer gives such emotional and gutsy performances...as her faithful and reverent fans will attest.

Expect to be WOWED!

Wanda is backed by "Bassist" Jim Summerlin, "Drummer" Virgil Broyles, "Guitarist" Frank Ray, and "Keyboardist" Dale (Bach) Bacher.

MATT BLAGG

Saturday Featured Entertainment

Matt Blagg's music crosses not only the boundaries of musical genre, but also those of age, culture and perspectives. Matt's music brings friends and families together in a fun and upbeat way.

Matt delivers a unique blend of styles he calls "Blue-eyed Soul".

Not just a singer, this musician builds guitar playing, trumpet playing, and poignant lyrics into songs that light up any listener. "It makes life better when we can laugh and dance together."

From churches to coffeehouses to Nashville theaters, **Matt brings down the house.** He has played for Aretha Franklin, the Temptations, The Fours Tops, The Drifters, The Tommy Dorsey Big Band, and he has toured Europe with the Continental Brass & Singers. A frequent guest in Memphis, Matt has appeared at the W.C. Handy Blues Awards, and the King Biscuit Blues Festival. He has performed at B.B. King's Blues Club and recorded at the House of Blues recording studio in Memphis. But in the end, it's not the fancy venues that draw Matthew, it's the people.

As Matt puts it, "We'll go anywhere there's oxygen."
