

**POLICY OF GYPSUM ESTATES HOMEOWNERS ASSOCIATION
REGARDING PROCEDURES FOR COLLECTION OF UNPAID ASSESSMENTS**

- SUBJECT:** Adoption of a policy and procedure regarding the collection of unpaid assessments.
- PURPOSE:** To provide notice of the Association's adoption of a uniform and systematic procedure to collect assessments and other charges of the Association.
- AUTHORITY:** The Declaration, Articles of Incorporation and Bylaws of the Association and Colorado law.
- EFFECTIVE DATE:** October 1, 2025
- RESOLUTION:** The Association hereby gives notice of its adoption of the following policies and procedures for the collection of assessments and other charges of the Association:
1. Due Dates. Installments of the annual assessment and any other balances due as determined by the Association and as allowed for in the Declaration shall be due and payable on the 1st day of each month. Assessments or other charges not paid in full to the Association within one day of the due date shall be considered past due and delinquent. Assessments or other charges not paid in full to the Association within 10 days of the due date shall incur late fees and interest as provided below.
 2. Receipt Date. The Association or its managing agent shall post payments on the day that the payment is received in the Association's office.
 3. Late Charges and Interest on Delinquent Installments. The Association or its managing agent shall impose on a monthly basis a \$25.00 late charge for each Owner who fails to timely pay any assessment within 10 days of the due date. This late charge shall be a "common expense" for each delinquent Owner. The Association or its managing agent shall impose interest from the date due at the rate of 8% per annum on the amount owed for each Owner who fails to timely pay an installment of any assessment within 10 days of the due date.
 4. Personal Obligation for Late Charges and Interest. The late charge and interest shall be the personal obligation of the Owner(s) of the Unit for which such assessment or installment is unpaid. All late charges and interest shall be due and payable immediately, without notice, in the manner provided by the Declaration (and as set forth herein) for payment of assessments.

three (3) of the monthly installments within fifteen (15) days after the monthly installments were due.

If the Owner does not confirm written acceptance of the repayment plan within thirty (30) days after the Association or its managing agent has provided the Owner with a written offer to enter into a repayment plan, the offer shall be deemed to be declined.

In the event the Owner defaults or otherwise does not comply with the terms and conditions of the repayment plan, including the payment of ongoing assessments of the Association, the Association may, without additional notice, refer the delinquent account to an attorney or collection agency for collection action or may take such other action as it deems appropriate in relation to the delinquency.

An Owner who has entered into a repayment plan may elect to pay the remaining balance owed under the repayment plan at any time during the duration of the repayment plan.

8. Attorney Fees on Delinquent Accounts. As an additional expense permitted under the Declaration and by Colorado law, the Association shall be entitled to recover its reasonable attorney fees and collection costs incurred in the collection of assessments or other charges due the Association from a delinquent Owner, within any limitations pursuant to Colorado law. The reasonable attorney fees incurred by the Association shall be due and payable immediately when incurred, upon demand.
9. Application of Payments. Once an account is referred to the Association's attorney, all sums collected on a delinquent account shall be remitted to the Association's attorney until the account is brought current. The Association may prohibit the Owner from accessing any online payment portal until the account is brought current. All payments received on account of any Owner or the Owner's property (hereinafter collectively "Owner"), shall be applied in the following manner: first to the payment of any assessments owed, then to any and all legal fees and costs (including attorney fees), then to expenses of enforcement and collection, late charges, returned check charges, lien fees, and other costs owing or incurred with respect to such Owner pursuant to the Declaration, Articles, Bylaws, Rules and Regulations, or this Policy.
10. Collection Process.
 - (a) After an installment of an annual assessment or other charges due to the Association becomes more than 30 days delinquent, the Management Company shall send a written notice ("First Notice") of non-payment, amount past due, notice that interest and late fees have accrued and request for immediate payment. This First Notice shall be sent by regular first-class mail.

- (vii) Include a description of the steps the Association must take before the Association may take legal action against the Owner, including a description of the Association's covenant violation cure process as laid out in the Association's Covenant and Rule Enforcement Policy.
 - (viii) Include a description of what legal action the Association may take against the Owner, including a description of the types of matters that the Association or Owner may take to Small Claims Court, including injunctive matters for which the Association seeks an order requiring the Owner to comply with the Declaration, Bylaws, Covenants, or other governing documents of the Association.
- (c) This Second Notice will be provided to the Owner or the Owner's designated contact in the following manners:
- (i) Certified mail, return receipt requested; and
 - (ii) By two of the following manners:
 - i. Telephone call to a telephone number that the Association has on file because the Owner or the Owner's designated contact has provided the number to the Association. If the Association attempts to contact the Owner or designated contact by telephone but is unable to contact the Owner or the Owner's designated contact, the Association shall, if possible, leave a voice message for the Owner or the Owner's designated contact; or
 - ii. Text message to a cellular number that the Association has on file because the Owner or the Owner's designated contact has provided the cellular number to the Association; or
 - iii. Email to an email address that the Association has on file because the Owner or the Owner's designated contact has provided the email address to the Association.
 - iv. However, if the Owner or the Owner's designated contact has not provided a telephone number, cellular number, or email address to the Association, then this requirement of Section 10(c)(ii) shall be satisfied by sending this Second Notice via regular mail.

First Notice (notice that late charges and interest have accrued)	Any time after 30 days after due date
Second Notice (notice that late charges and interest have accrued, notice of intent to file lien, required disclosures of the Association and the availability of a payment plan if applicable)	Any time after 60 days after due date

The attorney may consult with the Association or its managing agent as necessary to determine if payment has been arranged or what collection procedures are appropriate.

12. Certificate of Status of Assessment. The Association or its managing agent shall furnish to an Owner or such Owner's designee upon the Owner's or designee's written request to the Association, made via first class postage prepaid, return receipt requested mail, a written statement from the Association, setting forth the amount of unpaid assessments currently levied against such Owner's property at no charge and delivered personally or by certified mail, first class-postage prepaid, return receipt requested. However, if the account has been turned over to the Association's attorney, such request may be handled through the attorney.

A status letter provided to a title company or mortgage company in anticipation of a sale of the property or a refinance of the mortgage provides additional information beyond a statement of the total amount due and as such any charges incurred by the Association for providing a status letter shall be charged back to the Owner.

The Association may only approve a foreclosure action after the delinquency equals or exceeds six months of common expenses assessments based on a periodic budget adopted by the Association.

The Association may not foreclose on an Owner's Unit if the debt securing the lien consists only of one or both of the following:

- (a) Fines that the Association has assessed against the Owner as a result of covenant violations; or
- (b) Collection costs or attorney fees that the Association has incurred and that are only associated with assessed fines as a result of covenant violations.

If a Unit has been foreclosed on by the Association, the Unit shall not be purchased by any of the following categories of persons or companies, who are currently or have been at any time during the 5 years prior to the foreclosure sale:

- (i) a member of the Board of Directors;
- (ii) an employee of the Association's management company representing the Association;
- (iii) an employee of the law firm representing the Association;
- (iv) an immediate family member of any of the foregoing individuals; or
- (v) the Association's management company.

- 17. Waivers. The Association is hereby authorized to extend the time for the filing of lawsuits and liens, or to otherwise modify the procedures contained herein, as the Association shall determine appropriate under the circumstances.
- 18. Communication with Owners. As to any communication sent by the Association or the Management company on behalf of the Association pursuant to Paragraph 10 of this Policy, the Association or management company on its behalf, shall maintain a record of any contacts, including information regarding the type of communication used to contact the Owner and the date and time that the contact was made.

An Owner may identify another person to serve as a designated contact for the Owner to be contacted on the Owner's behalf. If the Owner identifies a designated contact, the Association or its managing agent shall send any collection correspondence and notices to both the Owner and their designated contact. However, once an Owner is sent to the attorney for collections, all communication will be directly with the Owner until or unless the Owner provides permission directly to the Association's attorney giving permission for the attorney to discuss with the designated contact.
